</tbody>
</table>

*340 Ethereum are held by Genesis Global Trading.
**18,001 Solana are held by Genesis Global Trading.
*** Subject to closing the sale of certain assets to StoryFire Inc. on March 1st, 2024.

The company may strategically sell or buy more tokens in the future depending on our capital needs and market conditions. We note that a portion of our assets (denoted in the table above) are held with Genesis
Global Trading that is undergoing a restructuring. As a result, some or all of those holdings may not be recovered. Management is confident, however, that it will be able to recover the majority of its assets from Genesis based on recent disclosure in 2024.

In addition to its cryptocurrency inventory, the Company holds approximately $3 million (CAD$4 million) in cash, a portfolio of valuable crypto domain names, and subsequent to a closing date of March 1, 2024, a 15.3% interest in StoryFire Inc.

About Tokens.com

Tokens.com is a technology holding company that also owns an inventory of cryptocurrency, digital real estate, and a collection of top ranked crypto related domain names.

Forward-Looking Statements

This news release includes certain forward-looking statements as well as management’s objectives, strategies, beliefs and intentions. Forward looking statements are frequently identified by such words as “may”, “will”, “plan”, “expect”, “anticipate”, “estimate”, “intend” and similar words referring to future events and results. Forward-looking statements in this news release include statements relating to the strategic review process and the work of the Committee; whether a strategic change, transaction or any outcome will result from or be consummated or implemented as a result of the strategic
review process; and whether any transaction resulting from the strategic review process, if any, will ultimately enhance shareholder or stakeholder value in the long term.

Forward-looking statements are based on the current opinions and expectations of management. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of cryptocurrencies, as described in more detail in our securities filings available at www.sedar.com. Actual events or results may differ materially from those projected in the forward-looking statements and we caution against placing undue reliance thereon. We assume no obligation to revise or update these forward-looking statements except as required by applicable law.
