Dearest Brothers and Sisters,

The last 2 days the kids from our very own SSPP School put on a phenomenal musical, “Seussical the Musical.” Words cannot adequately express how proud I am of their hard work, effort, and performance. There is nothing that pleases the Lord more than when we take what He gives us, we unite it with His love, and we pour ourselves out with joy to make a difference with our gifts and talents. Had any of the students thought to themselves “I don’t have that much to offer so I won’t be a part of it . . .” then they wouldn’t have brought joy to so many people. My reason for mentioning this is that our Ministry Fair this weekend has put on display so many opportunities to put your gifts and talents to use for the good of our parish and the people of our community! **YOU HAVE GIFTS AND TALENTS THAT GOD WANTS TO USE!!!!** The question is if you’ll pray and choose to partner with God so that He can use you in the production of life that He’s joyfully directing! He wants to use you to bring joy to others. So once again I invite you to pray and ask God what role he wants for you to play! Please say yes and get more involved in everything going on at the parish! I can’t wait to applaud you and to see what role God has just for you!

God Bless you,

Fr. Romke

2-LITER PLASTIC BOTTLES NEEDED!

Hi, my name is John Kraeger and I am an SSPP graduate (class of 2022). I am currently working on my Eagle Scout project and need your help! My project is a greenhouse for SSPP school that will be constructed this summer. The greenhouse will be made using empty 2-liter bottles, and I need your help collecting the approximately 1,400 bottles that I will use for the project.

Things to keep in mind:

- Only 2-liter bottles can be used for the project
- The bottles should be CLEAN with LABELS REMOVED.
- Please do NOT crush the bottles
- No caps on the bottles

In order to finish this project I need everyone's support and help! If your family doesn't happen to drink pop or anything out of two liter bottles, I encourage and kindly ask you to still ask neighbors, friends, and family for bottles! We need many bottles and everyone's support on this. Thank you!

There is a collection bin in the gathering space to put the bottles.
