We are hiring!

THE JOURNEY ISN'T JUST A WORKPLACE! We are a family of believers, flawed and imperfect, messy and beautiful. We are a tapestry held together by God's grace, love and presence. We are St. Louis and yet we are more. We are those who are here, those who have moved on, and those coming still! We are all made one in and because of Christ. And by his grace, He holds us together.

Our team awaits with expectation the arrival of our new Worship Leader - a soon to be familiar face, turned friend, joining our family.

IS GOD CALLING YOU?

Are you creative, authentic, and passionate about pointing others to Jesus? Our worship ministry exists to use musical giftings to lift up the name of Jesus, help the congregation engage with the Holy Spirit and one another, and remember and rehearse the Gospel. Our worship leader plays a key role in forming and guiding our church in response to the Lord's goodness and grace.
