

HOW THE BEER HERO PROGRAM WORKS

1

YOU FIND THE CUSTOMERS.

Local, already known to you, they place their trust in you to make their beverage systems work.

2

GET THEM SIGNED AND GET PAID.

If your customer can benefit from a gas system, you can get them signed up for that benefit and get paid.

3

GAS PAYS ALL THE UPFRONT COSTS.

We build and stock you with our best-in-class equipment. We pay for the installation, and its maintenance and service.

4

GAS BILLS THE CUSTOMER DIRECTLY.

The customer pays a competitive flat monthly rate - all inclusive.

5

GAS PROVIDES DIRECT CUSTOMER SUPPORT 24/7.

This includes diagnosing and troubleshooting, typically fixing nuisance issues immediately.

6

YOU TURN UP AS THE HERO.

Other billable problems are communicated to you pre-diagnosed, so you can bring the fastest solution.
