

# EXODUS

## THE GOLDEN CALF | 8.20.2023

### Life Group Questions to consider:

1. What in your life competes for your worship? How have you seen the consistency and complexity of God outweigh the inconsistent and basic objects we often worship?
2. Exodus 32:1-6 shows the impatience of people that leads to poor decisions regarding worship. How has your impatience factored into decisions related to your worship?
3. In Exodus 32:7-14 we see God angered at disobedience, and then we see God relent. How is God justified in showing both punishment and forgiveness?
4. There are some consequences of sin and excuses for sin in Exodus 32:15-24. How has your sin brought about consequences? What excuses have you made for your sin?
5. Exodus 32:25-35 shows the continued consequences of sin in the light of the truth, as well as Moses' deep love for the people of Israel. Where is God working in you to grow a greater awareness of His truth and develop a deeper love for His people?

### PRAYER:

For each person in your group to know which next step God is calling them to. Pray that they will have clear opportunities to see God work in their lives.

Pray that the group would surround the collective next steps and help encourage as they are taken.

Pray for interactions with people far from God and for the group to be able to step into those conversations.

Now go and take your next step. Go and BE the Church.
