

KITCHEN & HOME INTERIOR WOODWORK

WL Kitchen and Home manufactures pieces of beauty and functionality. We guide you through the design and construction phases, while working within your budget, to create your optimal results.

We have been designing, manufacturing and installing custom kitchen and architectural wood interiors, both in modern and traditional styles, for over thirty years.

We use a vast array of domestic and imported materials in a wide selection of finishes.

We also offer an extensive range of other products including libraries, vanities, closets and doors that will seamlessly blend in with the woodwork throughout your home.
