

Mediation.

Court Support Suite

Court-specific Custom Configuration

More than 40 features can be adapted to suit your need. What can we help solve for you? ADR workflow? Intake process? Secure hybrid hearing space?
Contact us to assess your need and determine which of our solutions we can customize for you.

Family Triage

Digitized court-developed questionnaire to prioritize family cases faster and more efficiently; delivering attention to cases that need it most. Increase user satisfaction; lowering barriers handle cases quickly and simply while directing critical services to those families in need.

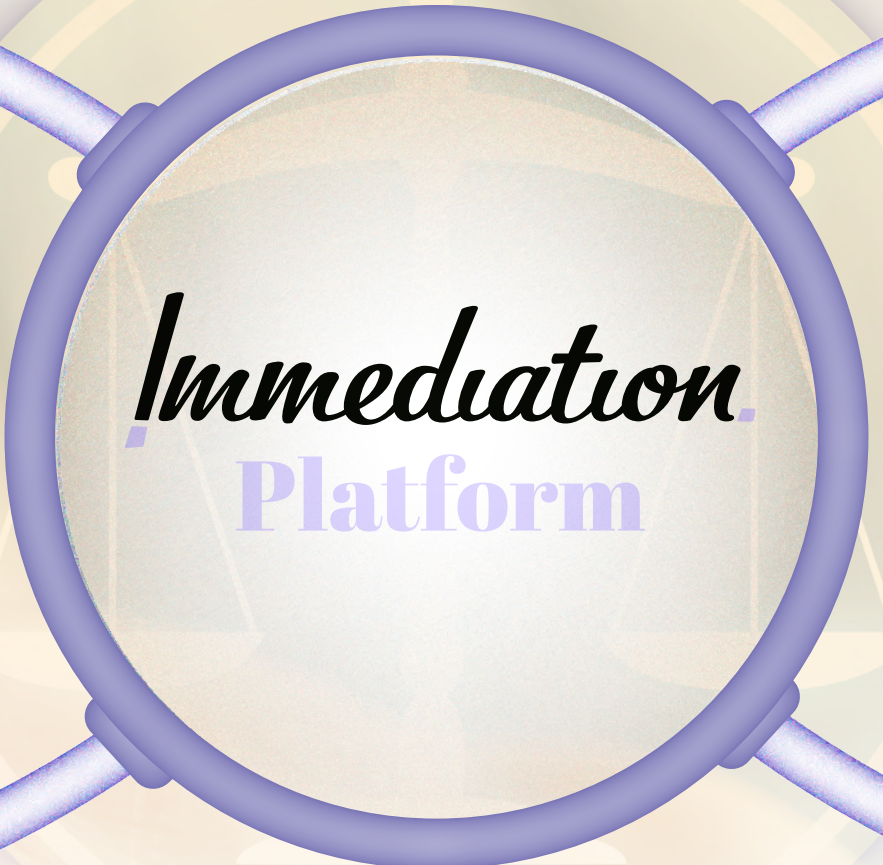

Call Over

Configuration of our digital hearing feature designed for easy joining without needing an account; cloud-based and without the security & confidentiality concerns. Improves flexibility for the judge to rapidly call-in groups/parties to a virtual courtroom without needing confirmation. Authentication by party name and case number. Process more cases, lower admin, reduce costs

Arraignment
Preliminary Hearing
Pre-trial Conference
Motion Hearing
Status Conference

Bail Hearing
Discovery Conference
Sentencing Hearing
Suppression Hearing
Evidentiary Hearing

Immediation Platform

ADR/ODR

Fully flexible, customizable workflow integrates with your current CMS; connects with local mediators and arbitrators, schedules, and speeds parties to resolution. Uses include Traffic citations, small claims, etc. E-Negotiation tools quickly settle many matters. Ultimately, data insights are provided for future decision making.

Hybrid & Fully Virtual Hearings

Designed to protect privilege & confidentiality, we deliver the highest quality, most secure platform to hear cases either hybrid or fully virtual – speeding disposition rate and increasing overall access to the court.

Immediation is a holistic legal dispute resolution platform combining multiple processes and apps into one customizable interface. Designed to streamline and simplify the ADR/ODR process for Courts, **Immediation** offers industry-leading functionality, unmatched specialization, and delivers the judiciary, attorneys and neutral parties the capacity, capability and control to successfully handle complex legal interactions online. **Immediation** is used by courts, governments, dispute resolution organizations and law firms for local, national, and international matters.
