

March 14-15, 2023 | Palm Springs, CA

CEATI >

Hydropower Conference

Why Exhibit with CEATI? 160 utilities worldwide

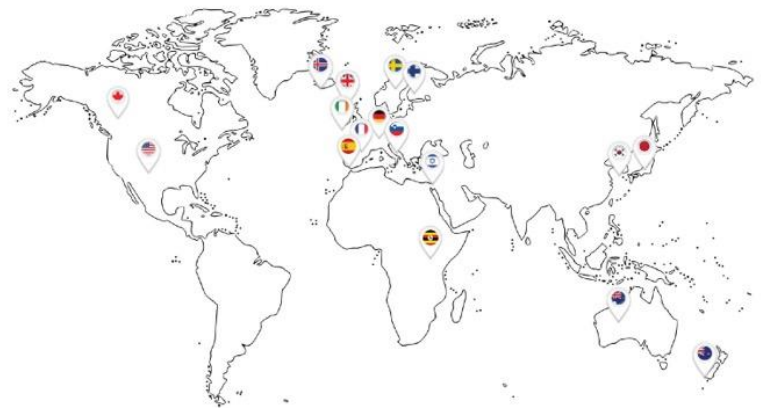

- Over 60% of the Canadian market
- 94% membership renewal rate overall (97% in Hydropower interest groups)
- 18 countries represented
- Highly engaged user base
- 20%+ growth rate

Network with customers.

Target your exposure.

Put your company in the **spotlight**.

- Network with utilities, manufacturers, service providers, consultants, and world-renowned technical experts;
- Engage with key decision makers in the industry;
- Gain targeted exposure to potential clients;
- Meet face-to-face with end-users of your company's products and services;
- Strengthen (or establish) your brand;
- Maintain a competitive edge;
- Expand your industry contacts

Energy Keepers Inc.	Nelson Hydro	U.S. Army Corps of Engineers
Entergy Services	New Brunswick Power	U.S. Bureau of Reclamation
Environment Agency	New York Power Authority	U.S. Department of Energy
EPCOR	Newfoundland and Labrador Hydro	Uganda Electricity Generation Company
Eugene Water and Electric Board	Northern California Power Agency	WaterNSW
Exelon	Northwest Territories Power Corporation	Yuba Water Agency
Federal Emergency Management Agency (FEMA)	NorthWestern Energy	Yukon Energy Corporation
Federal Energy Regulatory Commission (FERC)	Nova Scotia Power	
FirstLight Power Resources Services	Oglethorpe Power Corporation	

Westin Rancho Mirage

71333 Dinah Shore Dr,
Rancho Mirage, CA
92270, USA

All conference guests are eligible for a preferred rate of \$259 USD a night subject to availability. The preferred rate only available until February 3, 2023.

Attendee Overview

105 Member Utilities

From Dam Safety, Hydropower Plant Equipment, Hydropower Operations & Planning, and Protection & Control

80+ Exhibitors & Sponsors

99% of attendees find our events valuable

What Our Attendees are Saying

"CEATI provides a critical link between owners and operators and is the sharing platform for lessons learned and new technologies. Your meetings always energized me to do better and be the best leader possible for my team."

Steve Miles, Director US Army Corps of Engineers' Hydroelectric Design Center
US Army Corps of Engineers

"CEATI's Hydropower Conference is the best professional organization and meeting for working collaboratively with hydro owners and operators."

Dean Durkee, Vice President Geotechnical Dams & Hydraulics
Gannett Fleming

"CEATI has been a great voice for us, as dam owners in the Dam Safety Interest Group. I couldn't communicate my challenges on my own and get the effects that CEATI has achieved by creating this venue where we can get together and speak as one voice."

California Department of Water Resources

Event Overview

CEATI International's 14th Annual Hydropower Conference will focus on the opportunities and challenges that utilities are facing, with specific focus on retrofitting dams for extended life, extreme events and the increased need for flexibility, and opportunities for power plant modernization.

The event will feature presentations on the following themes:

1. Dam Safety – opportunities for retrofitting dams & second life

- Regulatory issues
- Case studies
- Remote inspections
- Creating a culture of continuous learning within dam safety organizations

2. Hydropower Plant Equipment – opportunities for plant modernization.

- Supply chain issues & challenges
- Battery storage integration in hydropower plants
- Assessing life cycle impacts to improve unit performances and their operational longevity

3. Hydropower Operations & Planning – flexibility opportunities and extreme events risks

- Climate Change projects – building resilience and adapting to change
- Data informed decision making – looking at predictability, opportunities to use data
- Technological opportunities – new technology to adapt to a changing landscape
- Market opportunities – change in the market and its influence on risk policies
