

# Create your own gecko in chalk

## STEP 1

Start by lightly sketching the outlines of the head and body. Make sure you have enough space around them for the head.

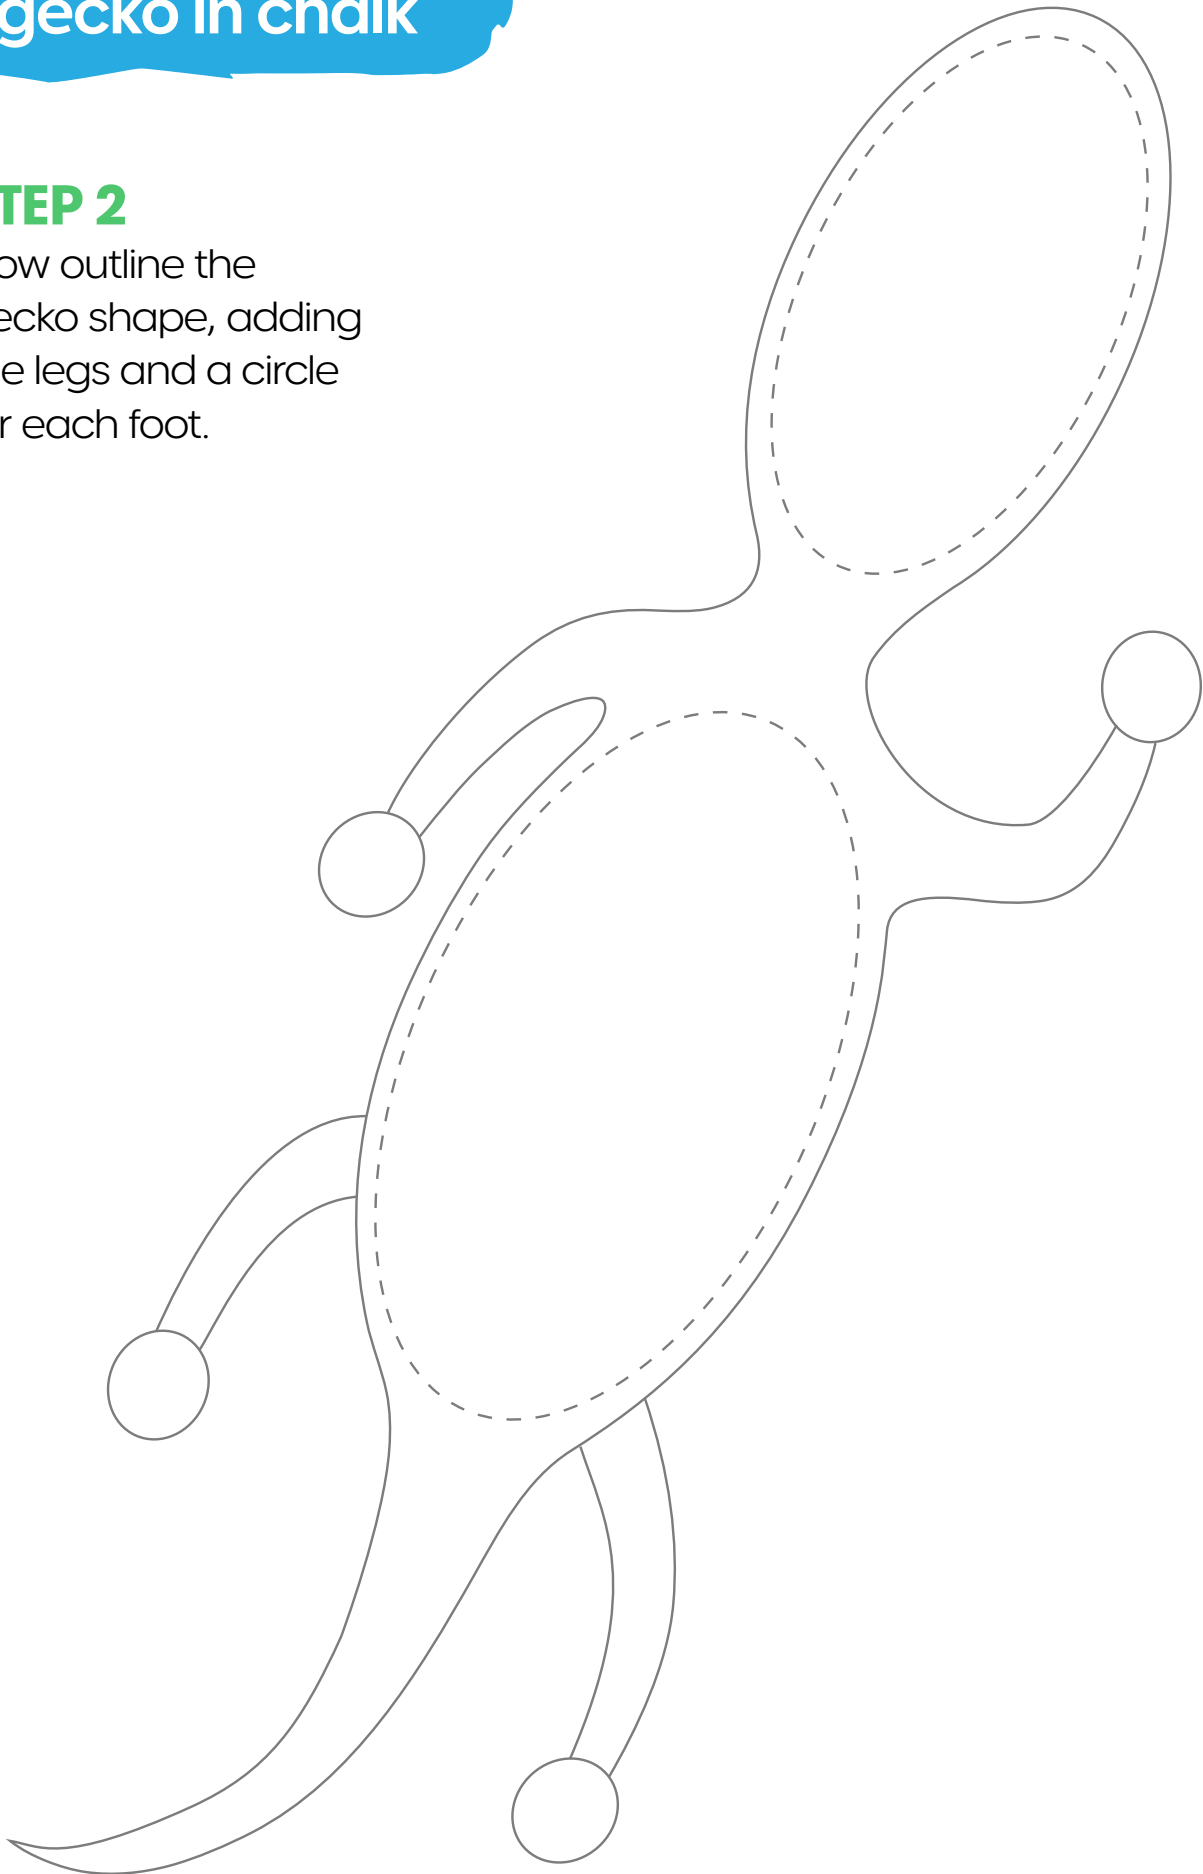

(These will be guides, not part of the final gecko.)

## STEP 2

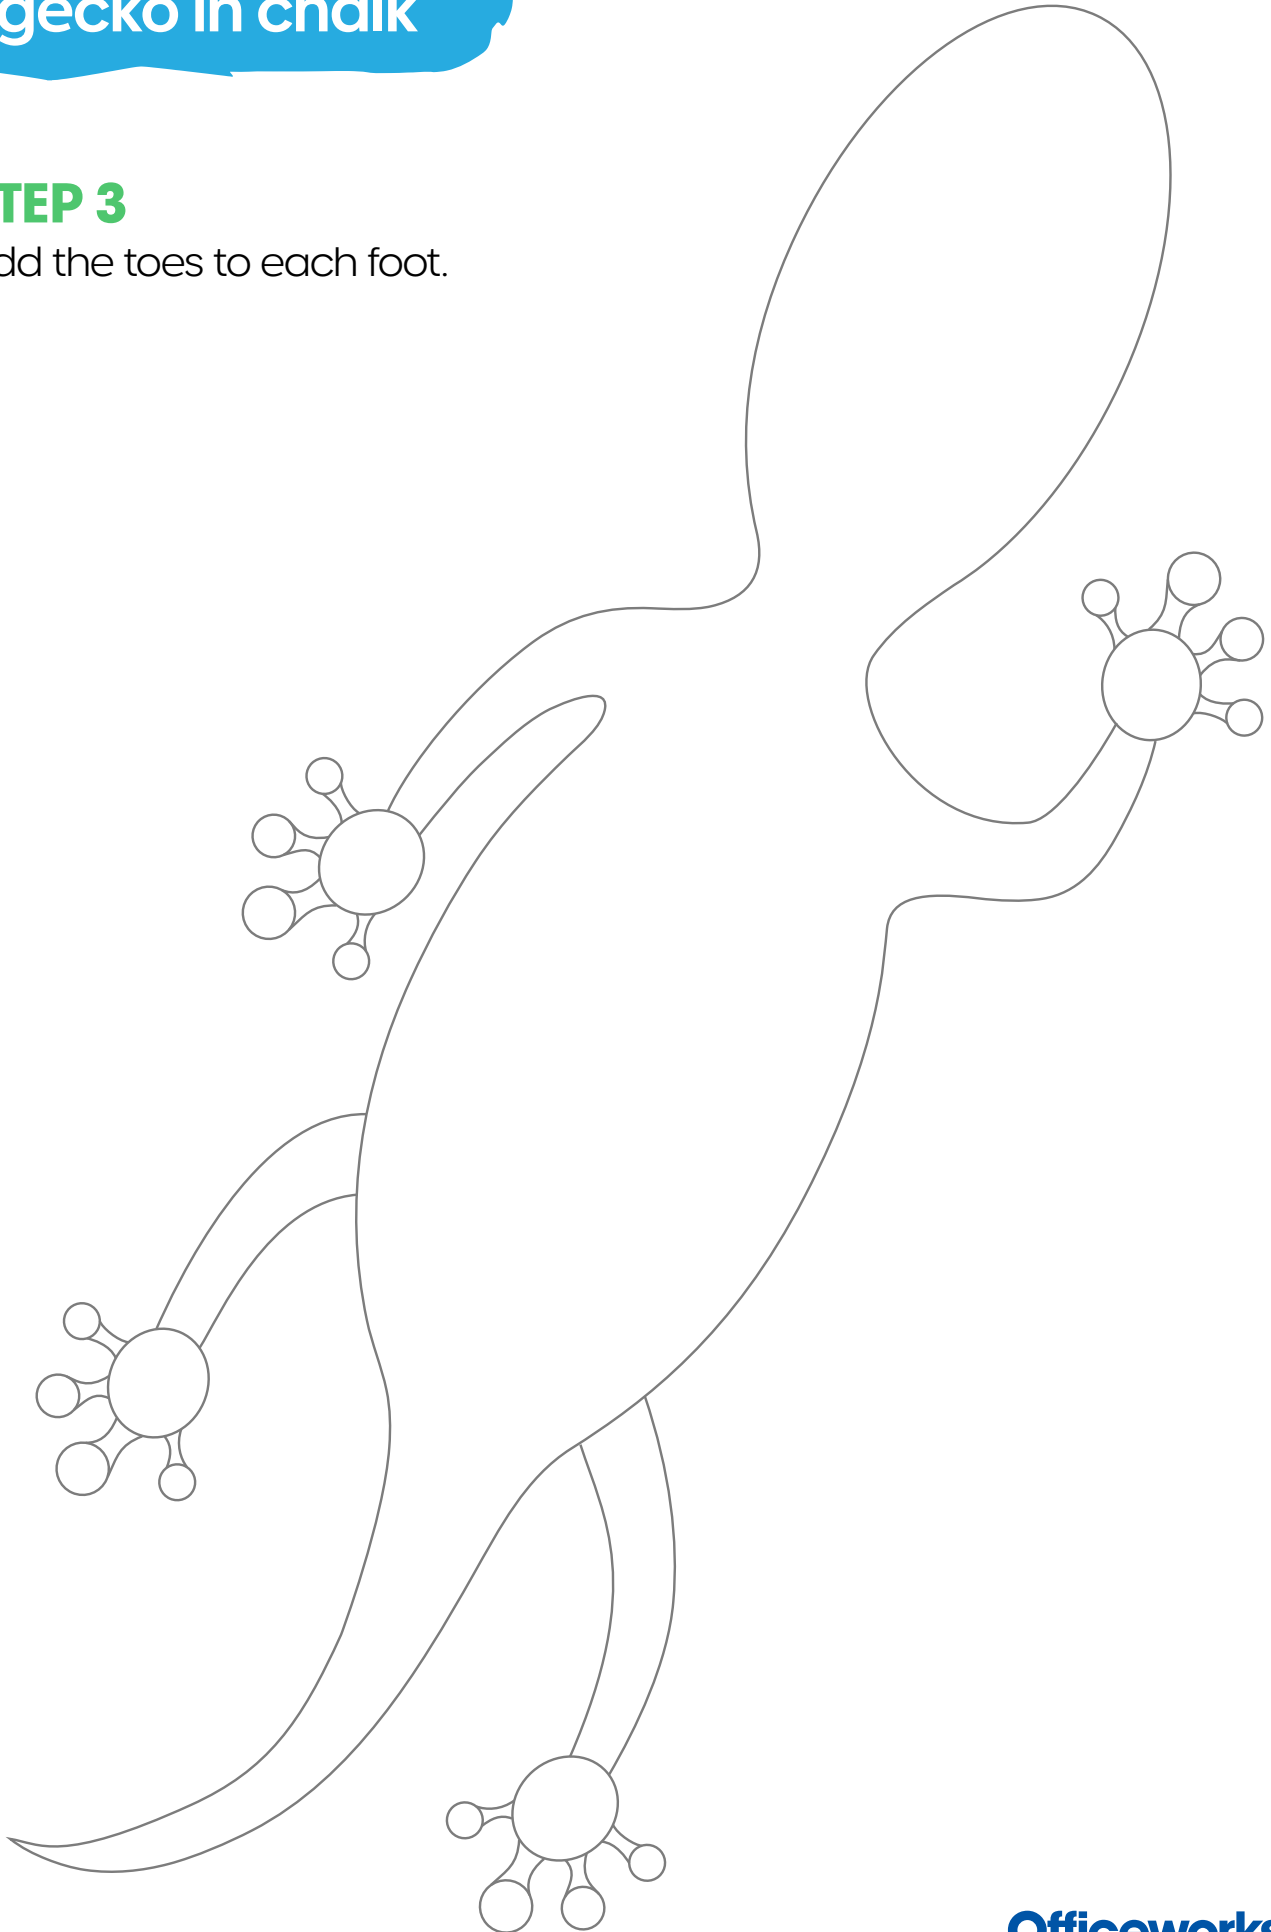

Now outline the  
gecko shape, adding  
the legs and a circle  
for each foot.

## STEP 4

Add the eyes, nostrils  
and your own personal  
distinctive markings.  
And maybe a tongue!

## STEP 5

It's time to colour your gecko!  
Go wild – the more colours  
the better!
