

LEGO Masters challenge #4 | UNDERGROUND WORLD

activity sheet

Hello LEGO Masters! And welcome to the final challenge of your school holiday family project LEGO challenge.

Today we are going UNDERGROUND. Let's see your take on an underground world for this LEGO Master's challenge. This is all about how creative you can be with your imagination!

What do you find underground?

A secret bat cave.

A subway station.

An underground walkway between two houses?

A wombat's dens

Or maybe a whole new city that has been built down below...

There are so many ideas you could use. Think about what's underground, or what COULD be underground

Let's grab your LEGO and get building!

Don't forget to share your masterpiece with us at @familyprojectau on Instagram and TikTok.
