

## Transmission & Distribution

## Vegetation Management

# Joint Conference November 16-18, 2021

# Sponsorship Opportunities

## Why partner with us?

- **Generate Highly Qualified Leads:** Our sponsors tell us they meet more highly qualified utility representatives at our conferences than anywhere else.
- **Connect with an Exclusive Audience:** Create valuable connections among a specialized group of electricity professionals.
- **Generate Credibility:** Power up your reputation as a trusted leader among your target market — CEATI conferences are renowned for featuring the latest technical insight and industry solutions.
- **Cultivate Relationships:** Connect with potential and current clients and network with industry colleagues and partners.
- **Maximize Your Brand Exposure:** Your company logo and website will be featured on our virtual platform and conference webpages online.

This conference is created in collaboration with our utility members:
