

CIVIL & PRECAST

FAST CLIP BAR CHAIRS

For 4-16mm bar

Our extensive range of Fast Clip Bar Chairs (FCBs) are designed to make steel fixing and traceability easier, with each chair identified by the cover. They are made from quality materials and accommodate bar sizes 4-16mm. The range is designed for minimal exposure, and coloured grey to match concrete.

Ideal for: Tilt-up and precast, suspended decks, beams, walls and panels.

KEY FEATURES / BENEFITS

- Clip-on chair for easier steel fixing
- No rust problems
- Concrete grey colour with minimal exposure (small foot configuration)
- Takes from 4-16mm bar
