Disclaimer of Warranty

The following is made in lieu of all other warranties expressed or implied.

This and all residential warranties are extended solely to direct OEM and distributor customers of Elite Water Systems end –users of the product. All secondary customers must submit warranty claims with their direct suppliers.

Manufacturers and Seller's only obligation shall be to issue credit against the purchase or replacement of the equipment proved to be defective in material or workmanship. Neither Manufacturer nor Seller shall be liable for any injury, loss or damage, direct or indirect, special or consequential, arising out of the misuse or the inability to use such product. Before using, user shall determine the suitability of the product for his/her intended purposes.

In addition, Manufacturer and Seller will not warranty any part of the system if it is determined that a part requires service and/or replacement because of an incident occurring outside of the control of the manufacturer and/or seller such as Acts of God, PSI exceeds 80, vandalism, theft, or any other damage transpiring without our direct control.

Duration of Warranty

Elite Water Systems warrants the equipment to the original owner for one year from the date of proper installation. This warranty shall renew automatically from year to year to the original owner only, unless the owner fails to comply with the filter change schedule.

Owner Must Follow the Non-Softened Water Schedule:

Filters must be changed once per year on the anniversary date of the installation in order to automatically renew this warranty. If the reverse osmosis system is not accompanied by water softened with a system, then filters must be changed every 6 months in order for the warranty to renew.

This system is not intended for use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.

This warranty will be void in its entirety if it is not serviced by a qualified Elite Water Systems Service Technician or Plumber. Please call your local EWS location for all service.
