## Experience

### Mobile Product Design Intern—Ceridian

Jan 2023 - Apr 2023

Worked on research, ideation, accessibility, prototyping and usability testing on a cross-functional Dayforce Mobile team. Adapted iOS and Android screens following Human Interface Guidelines and Material Design Systems.

### Graphic Design Intern—Royal Bank of Canada (RBC)

May 2022 - Dec 2022

Redesigned the Technology & Operations Design Hub to make it more intuitive and easier to navigate. Generated wireframes and mockups using Figma. Conceptualized and designed infographics to explain key strategic initiatives to help increase a website's traffic and engagement.

### UI/UX Designer—Develop For Good

Jan 2022 - May 2022

Volunteered with a team of designers and developers on a website redesign for the client, Sierra Project Foundation. Collaborated on a site map, visual branding, wireframes and high-fidelity prototype.

## Hackathons

### UI/UX Designer—UI Designathon

Mar 2021

Created an interactive mobile mockup to help combat student burnout using Adobe XD. Applied feedback from design critiques by the judges.

### UI/UX Designer—Hackville 2021

Feb 2021

Produced a high-fidelity prototype and implemented design solutions to problems. Adhered to the institution's branding for consistency with the current website.
