

Ever been denied coverage on your prescription at the pharmacy?

Stop overpaying! Famulus prices are often lower than insurance copays. **Save up to 80% on your prescriptions**

Use this **FREE Famulus savings card** as often as needed:

- For the best prices in America*
- On virtually all prescription drugs
- For every member of your family, even pets!

Powered By **GoodRx**

1

Print out this sheet or display it on your phone so the pharmacist can see the card numbers.

2

Ask the pharmacist to check both the Famulus discount price and the insurance price.

3

Select the option with the lowest price.

Powered by Good RX and accepted at 70,000+U.S. pharmacies, including:

100% FREE. No fees. No paperwork. No obligation.

* Famulus network provides access to lower prices on all FDA-approved drugs
