PURPOSE

This document, Te Huapae – Our Plan for Success, outlines Māori Television’s Outcomes Framework and presents our plan to achieve the outcomes which directly align to our vision that:

“Māori are thriving”

In essence our vision means:

- Te ao Māori is thriving
- Tikanga Māori is thriving
- Te reo Māori is a thriving language
- Māori perceptions are valued by all New Zealanders

The Outcomes Framework is Māori Television’s statement: it represents our vision, and the outcomes that we care about. At the same time, it demonstrates how our vision aligns with the expected outcomes of our key partners.

Our role is to connect people to te ao Māori by creating great Māori content that excites and inspires. Te Huapae outlines the key outcomes that we want to achieve for three core stakeholder groups:

- **Our Staff**

We support all staff with language planning, learning and professional development, and embed tikanga into the way we work

- **Our Audiences**

We engage audiences so they feel inspired, excited and empowered to connect with te ao Māori, and including te reo me ngā tikanga Māori

- **Our Partners**

We enable partners to effectively play their part in revitalising te reo me ngā tikanga Māori, by providing te reo resources and helping them reach their audiences

Acknowledges our role in Te Whare o Te Reo Mauri Ora and our contribution to the overall vision of te reo revitalisation, kia mauri ora te reo Māori.

Recognises the specific work we will be doing to complement the work of other partners under the Maihi Karauna (the Government’s Māori Language Strategy) and Maihi Māori (the Language Strategy of iwi and Māori).

Provides staff and key partners with a reference point on how their work contributes to what we are trying to achieve across our organisation’s work streams for te reo Māori me ngā tikanga Māori revitalisation.

Will guide the way we do things and show how and the extent to which we are having a positive impact on the lives of our audience.

Will show how our audience value te reo Māori me ngā tikanga Māori.

Lays the foundations for the broadening of our digital platform.

The framework has realigned us to an outcomes based approach, in using this approach, we are still committed to meeting the outputs outlined in our Statement of Intent 2019–2021, though we also want to ensure our investments are making a difference.

Māori Television plays a unique role in supporting the revitalisation of te reo me ngā tikanga Māori:

- Māori Television was launched in 2004, as a result of the Crown recognising its responsibility to support Māori broadcasting to promote te reo me ngā tikanga Māori
- This gave Māori Television a clear founding role in supporting national efforts in revitalisation, which today is captured in the Maihi Karauna (Crown strategy for te reo revitalisation)
- At the same time, Māori Television plays an important role supporting community-level efforts to revitalise te reo Māori as a thriving language used by whānau, iwi, hapū and te reo speaker communities and stakeholders across the country. These community-level efforts are expressed in the Maihi Māori (the Māori, iwi and hapū strategy for te reo revitalisation)
- In this policy context, Māori Television needs to define its own vision of success and build its capacity to measure its progress towards this vision

In 2018, Māori Television released its Outcomes Framework, Kia whakaawetia te whakaoranga o te reo Māori me ngā tikanga Māori that identified four long-term outcomes we want to achieve over the next three years:

- Kia tokomaha ake ngā tāngata e uara ana ki te reo me ngā tikanga Māori hei wāhanga o tō tātou tuakiri ā-motu. More people value te reo me ngā tikanga Māori as part of our national identity
- Kia tokomaha ake te hunga rangatahi e hiamo ana ki te reo Māori me ngā tikanga Māori.
More young people are excited about te reo Māori me ngā tikanga Māori
- Kia tokomaha ake ngā tāngata e toro ana i ngā kaupapa Māori me ngā kaupapa e kounga nei te reo Māori.
More people are engaged with high quality reo Māori and Māori content.
- Kia whakaawetia te whakaoranga o te reo Māori me ngā tikanga Māori e tā tātou whakahaere.
Māori Television inspires the revitalisation of te reo Māori me ngā tikanga Māori.

These outcomes provided a helpful starting point for understanding and measuring success, but required:

- A statement of Māori Television's own vision that reflects a 2019 perspective on what the organisation values and what it does
- A theory of change that describes how it will get to its vision
- An understanding of alignment with key partners' own outcomes
- A plan for implementation

Māori Television has reviewed and refreshed its Outcomes Framework through extensive consultation with staff, Te Whare o te Reo Mauri Ora partners, government and selected audience members - key stakeholders, Ministers, Iwi radio, external production companies, funding agencies and general population that have registered to receive regular updates from Whakaata Māori.

The updated framework includes:

- A Māori Television's theory of change, with updated outcomes
- An approach to measuring priority outcomes, including indicators and measurement tools
- Timeframes for achievement

OUTCOMES FRAMEWORK REVIEW

Māori Television's Outcomes Framework review answers these three questions:

01 What outcomes do we want to achieve?

02 how are we going to achieve these outcomes?

03 How will we implement the outcomes framework?

In answering these questions, the following parts of Māori Television's Outcomes Framework were updated or created:

THEORY OF CHANGE AND UPDATED OUTCOMES

This section outlines Māori Television's Theory of Change.

A theory of change is simply the telling of a story using the following structure:

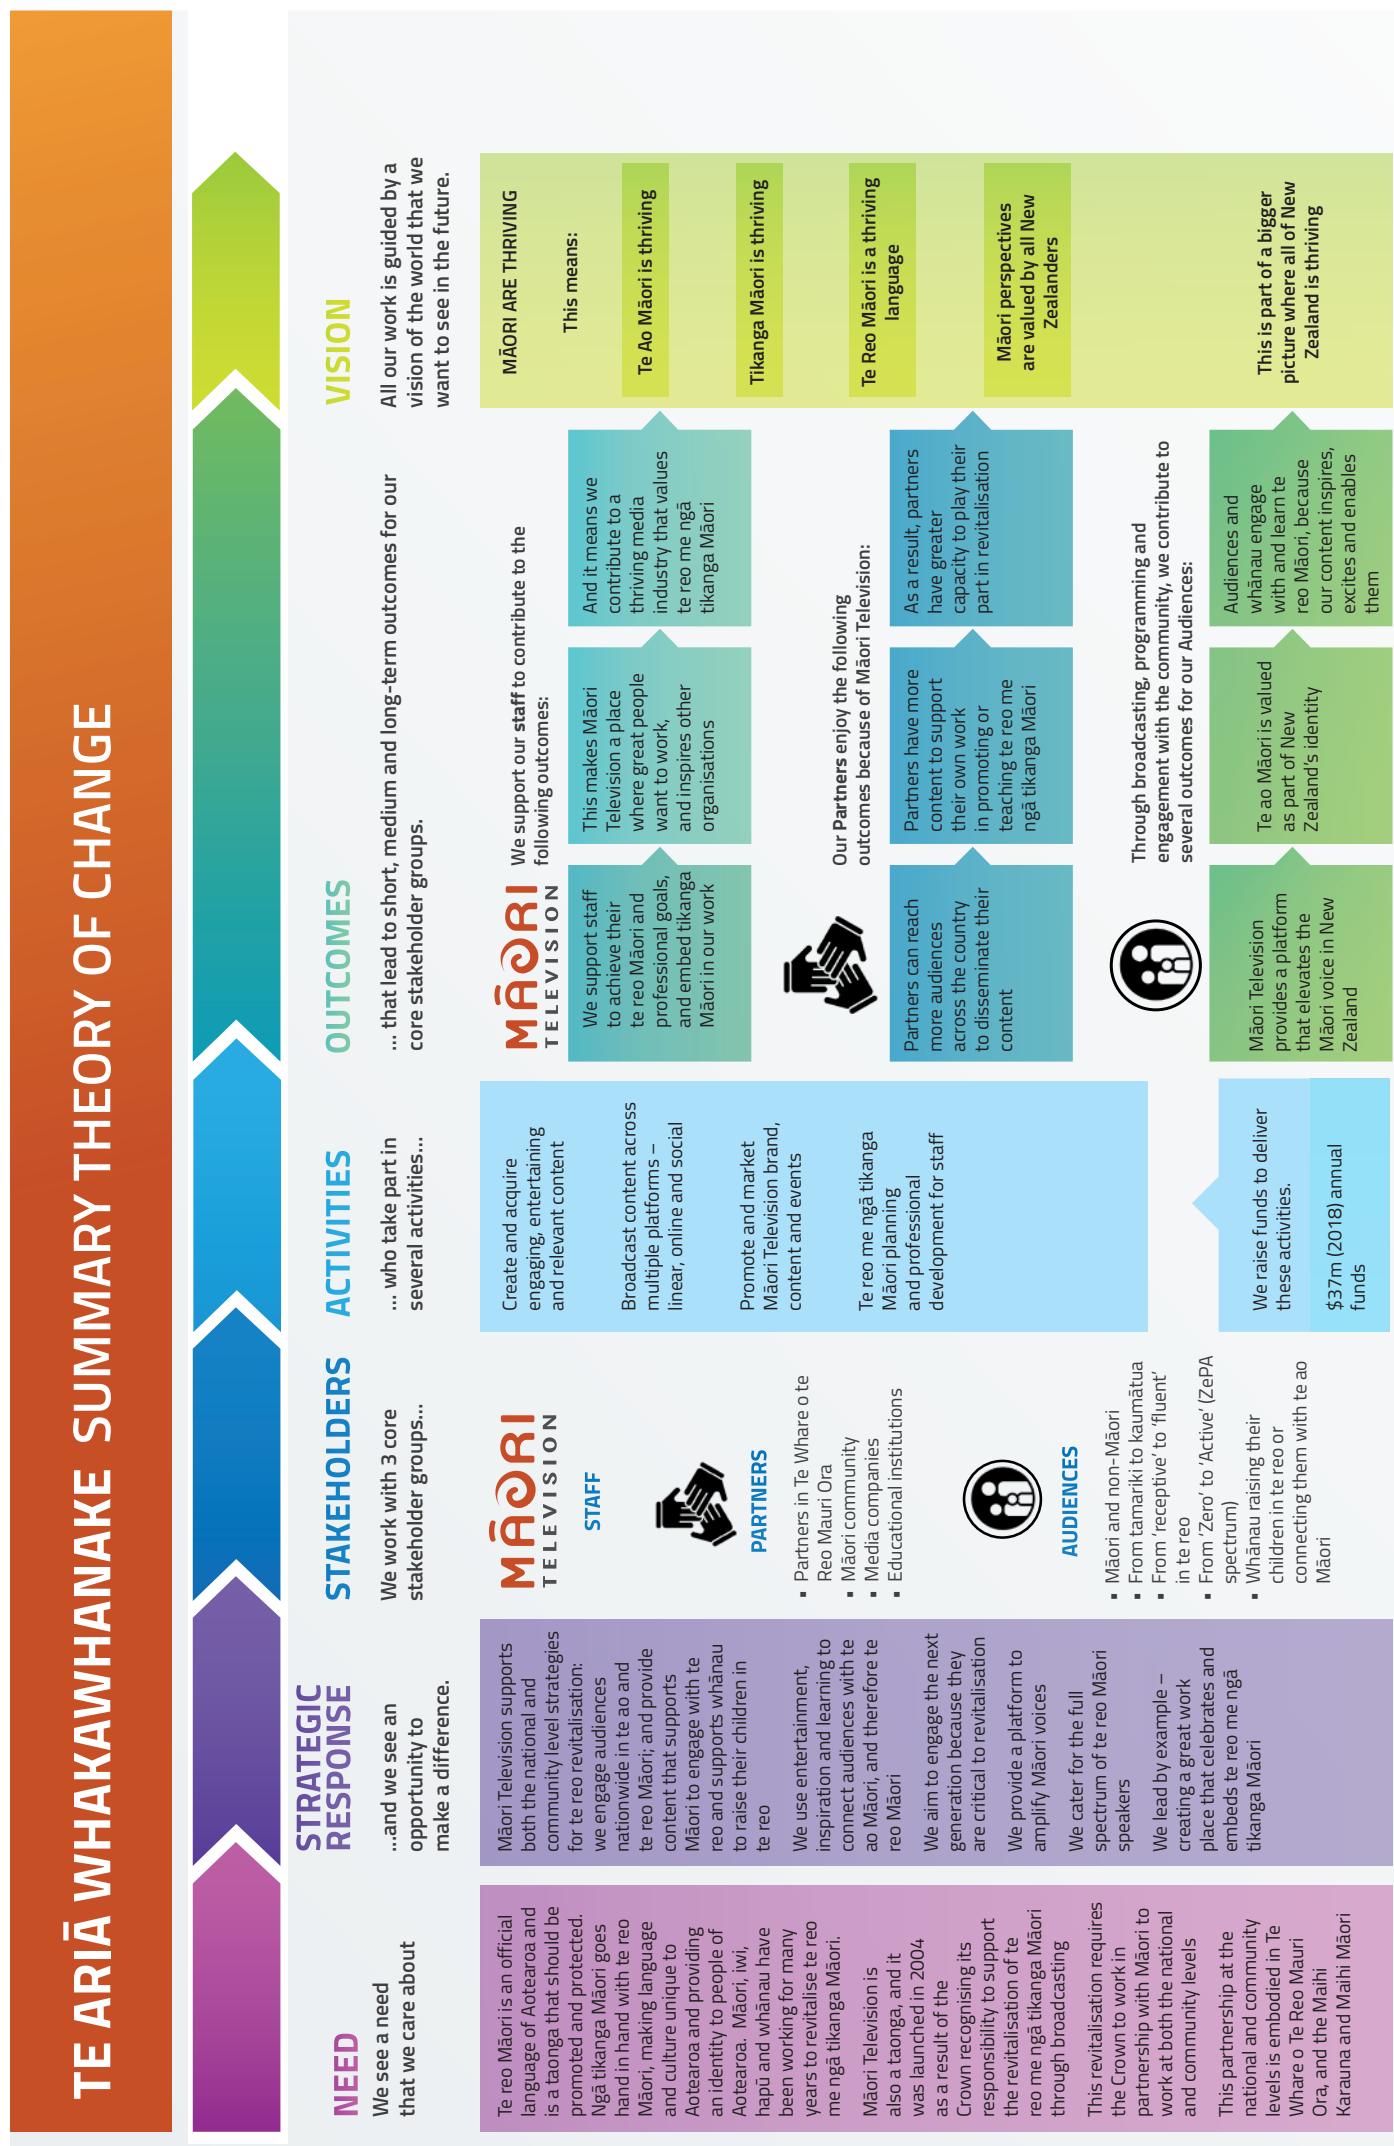

A theory of change (or story telling using this structure) is important because it helps organisations to do two things:

- Clarify and agree on why we exist and the changes we want to achieve for the people and organisations who we work with; and
- Identify what specific changes we will focus on to track our progress.

TE ARIĀ WHAKAWHANAKE SUMMARY THEORY OF CHANGE

OUR VISION

Māori Television's Theory of Change begins by describing:

1. The need we exist to address
2. How we respond to this need
3. Our vision for the future.

The vision describes the future we are working towards which for Māori Television is "Māori are thriving".

NEED

STRATEGIC RESPONSE

VISION

Te reo Māori is an official language of Aotearoa and is a taonga that should be promoted and protected. Ngā tikanga Māori goes hand in hand with te reo Māori, making language and culture unique to Aotearoa and providing an identity to people of Aotearoa. Māori, iwi, hapū and whānau have been working for many years to revitalise te reo me ngā tikanga Māori.

Māori Television was launched in 2004 with much celebration and is also a taonga. It was launched as a result of the Crown recognising its responsibility to support the promotion of te reo Māori me ngā tikanga Māori through broadcasting. Māori Television embodies the partnership established between Māori and the Crown through Te Tiriti o Waitangi

Revitalising te reo Māori as a thriving language requires the Crown to work in partnership with iwi, Māori and Māori language communities/stakeholders, to work at both the national and community levels (i.e. combining 'macro' and 'micro' approaches to te reo Māori language planning)

The partnership between the Crown and Māori is embodied in Te Whare o Te Reo Mauri Ora:

- The Maihi Karauna presents the Crown's strategy for te reo Māori revitalisation at the national level. It is led by Te Taura Whiri i te Reo Māori
- The Maihi Māori presents the te reo Māori strategy of iwi, Māori and Māori language communities and stakeholders, focusing on the community level. It is led by Te Mātāwai

Māori Television plays a unique role in supporting both the national and community level revitalisation strategies of the Maihi Karauna and Maihi Māori, respectively:

At the national level, we broadcast nationwide and online, influencing the status of te reo Māori and disseminating content to national audiences

At the community level, our content supports Māori to meet their own goals for te reo me ngā tikanga Māori, and supports parents who are raising their children in te reo, or want their children to feel connected with te ao Māori

We work to engage the next generation in our content and broadcasting – mokopuna, tamariki, rangatahi and their whānau – because they are critical to revitalisation

We support Māori and non-Māori to engage with and learn te reo me ngā tikanga Māori by connecting them to te ao Māori in a way that entertains, inspires and excites them to learn more

We elevate the stories and perspectives of Māori so that they are heard and valued by all New Zealanders

We cater for the full spectrum of te reo Māori speakers; from those who may not know any te reo Māori words to those who may speak te reo Māori as their first language, are raising their kids in te reo, and sending their children to kōhanga or kura

We lead by example. We create a great work place that celebrates and embeds te reo me ngā tikanga Māori, that inspires other organisations to do the same, and that builds the capacity of the media industry

The 'big picture' vision that we work towards is that Māori are thriving. The elements of this vision that are most relevant to our own contribution are:*

- Te Ao Māori is thriving
- Tikanga Māori is thriving
- Te Reo Māori is a thriving language
- Māori perspectives are valued by all New Zealanders

Through this, we contribute to the broader vision that all of New Zealand is thriving, because we're here to connect all people to te ao Māori.

* Important Māori health and wellbeing frameworks include: the [Whānau Ora Outcomes Framework](#); [Te Whare Tapa Whā](#); and [Te Pae Mahutonga](#).

In working toward our vision Māori Television helps achieve outcomes for the following three stakeholder groups:

STAKEHOLDER GROUPS

We support outcomes for our staff

We aim to lead by example, so we support all staff with language planning, learning and professional development, and embed tikanga into the way we work

We support outcomes for our diverse partners

We enable partners to effectively play their part in revitalising te reo me ngā tikanga Māori

We support outcomes for our audiences

We engage audiences so they feel inspired, excited and empowered to connect with te ao Māori, and included in te reo me ngā tikanga Māori

LONG-TERM OUTCOMES

WHAT ARE THEY?

We have more control over short-term outcomes because they are a direct result of our activities.

We can influence medium-term outcomes but we cannot control them because other factors are at play.

We are interested in long-term outcomes but our influence on these outcomes can be difficult to measure – e.g. increased proficiency in te reo Māori.

AN EXAMPLE CHAIN OF OUTCOMES (AN 'OUTCOME CHAIN')

Te reo me ngā tikanga Māori is thriving

Māori Television's Theory of Change describes the outcomes we want to achieve for our core stakeholder groups in the short, medium and long-term.

It is not feasible or necessary to measure all outcomes so the theory of change prioritises the outcomes that will be measured.

Lower priority outcomes are included in the Theory of Change because they form an important part of our story.

NEXT STEPS

Align existing data collection, analytics and audience research with the updated Outcomes Framework to ensure that existing work will enable Māori Television to track its progress against the theory of change

Refine the recommended measurement approach. This will include:

- Assessing the feasibility of recommended indicators, tools and frequency of collection
- Identifying opportunities to draw on and align with existing processes where possible – for example, the frequency of staff surveys should align with broader HR needs for staff feedback

Start small – begin piloting data collection and measurement with a subset of the priority outcomes, such as those where Māori Television is already collecting data

ADOPTION

To ensure the most effective implementation of our updated Outcomes Framework, Māori Television has four lines of activities underway and planned

Māori Television's Outcomes Framework is a living document.

Feedback from the public and our partners will always be welcome to help drive better outcomes in future iterations.

THE MĀORI LANGUAGE LANDSCAPE

Our outcomes are linked to Te Whare o te Reo Mauri Ora so that our work contributes to wider society's revitalisation efforts. Our role is to create conditions for te reo Māori to flourish - 'kia mauri ora te reo' and we will work with te reo Māori revitalisation partners to support and enable the use of te reo Māori utilising our wide reach across Aotearoa.

The outcomes of Te Whare o te Reo Mauri Ora that we will contribute towards are:

- More people value te reo me ngā tikanga Māori as part of our national identity
- More young people are excited about te reo Māori
- More people are engaging with quality broadcast and online content in te reo Māori.

Every year, we will report to the other partners within Maihi Karauna on our contribution to achieving these outcomes. Community revitalisation efforts are being led by Te Mātāwai and delivered through their strategy, Maihi Māori. The Maihi Māori seeks to provide more reo Māori activities and opportunities for iwi and whānau to revitalise te reo Māori in their communities. We seek to complement locally led reo Māori activities in the home and communities with reo Māori content availability on television and online. Over time, as the relationship and synergy between the Maihi Māori and Maihi Karauna matures, we should see increased demand for access to reo Māori content on different platforms to nurture a growing and diverse audience whom value te reo Māori me ngā tikanga Māori.

Te Reo Māori revitalisation is being led out by:

TE MATEA ME TE TAKE

TE URUPARE

TE WAWATA

Ko te reo Māori tētahi o ngā reo mana i raro i te ture i Aotearoa. He taonga te reo, ā, e tika ana kia whakatairangatia, kia āta tiakina. Haere kōtui ai te reo Māori me ngā tikanga Māori, he āhuatanga motuhake hei tohu i te tuakiri o ngā tāngata o Aotearoa. Kua roa a ngāi Māori, ngā iwi, ngā hapū me ngā whānau e kōkiri ana i ngā mahi hei whakarauora i te reo Māori me ngā tikanga Māori.

He taonga anō a Whakaata Māori, i āta whakanuia tōna kukunetanga i te tau 2004. He mea whakatū i runga i tā te Karauna whakaae ki tana haepapa hei tautoko, hei whakatairanga i te reo Māori me ngā tikanga Māori mā roto i ngā mahi pāpāho. Ko Whakaata Māori te whakatinanatanga o te hononga a te iwi Māori ki te Karauna mā te Tiriti o Waitangi.

Kia mauri ora te reo Māori me mahi ngātahi te Karauna ki ngā iwi, ki a ngāi Māori, ki ngā hapori reo Māori mā te aro ki te motu whānui me ngā hapori whāiti (arā, mā te whakatakoto mahere kia whānui, kia whāiti hoki te aronga i raro i ngā tikanga whakarauora reo).

Ko Te Whare o te Reo Mauri Ora te tohu o te mahi ngātahi a te Karauna me ngāi Māori:

- Ko te Maihi Karauna tā te Karauna rautaki hei whakaora i te reo Māori i te motu whānui. He mea arataki e Te Taura Whiri i te Reo Māori
- Ko te Maihi Māori tā ngāi Māori, tā ngā iwi, tā ngā hapori rautaki hei whakaora i te reo i ngā hapori. He mea arataki e Te Mātāwai.

He kawenga hirahira tā Whakaata Māori hei tautoko i ngā kaupapa whakaora i te reo Māori i te motu whānui, i ngā hapori whāiti hoki i raro i te maru o te Maihi Karauna me te Maihi Māori:

Ko tā mātou, he whakaaweawe i te mana o te reo mā te whakapāho i ngā kaupapa ki te hunga mātakitaki o te motu whānui, i te ipurangi hoki.

Ko ā mātou kaupapa he mea tautoko hoki i ngā hapori ki te whakatutuki i ā rātou whāinga kia ora te reo Māori me ngā tikanga Māori. He mea tautoko hoki i ngā mātua e whakatupu ana i ā rātou tamariki ki te reo Māori, ki ērā rānei e hiahia ana kia whaipānga atu ā rātou tamariki ki te ao Māori.

E aro atu ana mātou ki ngā reanga whakaheke, ki ngā mokopuna, ki ngā tamariki, ki te hunga rangatahi, ki ūrātou whānau – kei a rātou te oranga o te reo.

Ka tautoko mātou i te iwi Māori, i a tauwi hoki ki te ako, ki te kuhu atu ki ngā āhuatanga o te reo Māori me ngā tikanga Māori mā te te tūhono atu i a rātou ki te ao Māori mā te whakangahau, mā te whakaaweawe kia rangona te hiamo ki te ako tonu.

Ka whakatairanga ake mātou i ngā kōrero me ngā tirohanga kia rangona, kia uara mai ngā tāngata katoa o Aotearoa.

Mā ā mātou kaupapa e ngata ai te hunga kōrero Māori; arā ko te hunga kuare ki te reo tae atu ki te hunga matatau koia tonu te reo ūkaipō, ki ērā e whakatupu ana i ngā tamariki ki te reo Māori, e tuku ana hoki i ā rātou tamariki ki te kōhangā reo, ki te kura.

Ko ā mātou mahi he tauira hei whai mā ētahi atu.

Ko tā mātou, he whakarite i te wāhi mahi rawe e rongo ai ngā kaimahi i te rekareka, e ū ai hoki te reo Māori me ngā tikanga Māori. Ko tā mātou he whakaaeawe i ētahi atu umanga ki te whai mai, kia tupu te kaha me te pakari o te rāngai pāpāho.
