The Company may change the required premiums as a condition of any renewal of this Policy. BENEFITS

Maximum Amount. As applicable to each Benefit provided by this Policy for each Insured, Maximum Amount means the amount shown as the maximum amount for that Benefit for the Insured's eligible class in the Benefit Schedule .

Accidental Death Benefit. If Injury to the Insured results in death within 365 days of the date of the accident that caused the Injury, the Company will pay 100% of the Maximum Amount.

Accidental Dismemberment Benefit. If Injury to the Insured results, within 365 days of the date of the accident that caused the Injury, in any one of the Losses specified below, the Company will pay the percentage of the Maximum Amount shown below for that Loss:

For Loss Of	Percentage of Maximum Amount
Both Hands or Both Feet.....	100%

One Hand or One Foot	50%
The Sight of One Eye	50%
Speech or Hearing in Both Ears.....	50%

If the body of an Insured has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under this Policy, then it will be deemed, subject to all other terms and provisions of this Policy, that the Insured has suffered accidental death within the meaning of this Policy.

LIMITATIONS

Limitation on Multiple Benefits. If an Insured suffers one or more losses from the same accident for which amounts are payable under more than one of the following Benefits provided by this Policy, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest: Accidental Death Benefit, Accidental Dismemberment Benefit, Catastrophe Cash Benefit.

CLAIMS PROVISIONS

Notice of Claim. Written notice of claim must be given to the Company within 30 days after an Insured's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at A&H Claims Department PO Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, the Master Application, and any attached papers make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or his or her beneficiary or personal representative.

No change in this Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to this Policy. No agent may change this Policy or waive any of its provisions.

Incontestability. The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 2 years after the time written proof of loss is required to be furnished.

Noncompliance with Policy Requirements. Any express waiver by the Company of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Conformity With State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Workers' Compensation. This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Clerical Error. Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Records. The Company has the right to inspect at any reasonable time, any records of the Policyholder that may have a bearing on this insurance.

Assignment. This Policy is non-assignable. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

New Entrants. This Policy will allow from time to time, that new eligible Insureds of the Policyholder be added to the class(es) of Insureds originally insured under this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for

which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

CATASTROPHE CASH BENEFIT RIDER

This Rider is attached to and made part of the Policy effective October 1, 2015. It applies only with respect to accidents that occur on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

Catastrophe Cash Benefit. If Injury to the Insured results, within 90 days of the date of the accident that caused the Injury, in Paralysis or Coma, the Company will pay a benefit under the conditions described in this Rider. In order for a benefit to be payable under this Rider, the Paralysis or Coma must continue for a Waiting Period 12 consecutive months, must be determined by a Physician to be permanent and irreversible at the end of that Waiting Period and must result in Disability. The benefit payable is based on the percentage of the Maximum Amount(s) shown below for the causes of Disability shown below.

Cause of Disability	Percentage of Maximum Amount(s)
Coma.....	100%
Paralysis of Two or More Limbs (Upper and/or Lower).....	100%
Paralysis of One Limb (Upper or Lower)	50%
Paralysis of One or More Other Parts of the Body.....	See NOTE below.

NOTE: If the Insured's Paralysis is a part of the body other than a Limb, the percentage of the Maximum Amount used to determine the benefit payable will be adjusted in proportion to the comparable extent of Paralysis of the listed parts of the body. The final determination of comparable extent will be made through the use of the most current edition of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association. (In the event the referenced guide ceases to be published, the Company will select another appropriate measurement of impairment values.)

If the Insured suffers more than one cause of Disability as a result of the same accident, only one Percentage of the Maximum Amount, the largest for any one cause of Disability suffered by the Insured, will be used to determine the benefit payable.

The benefit payable is the percentage of the Maximum Amount shown above, payable at the end of the Waiting Period.

If the Insured returns to any occupation for which he or she is qualified by reason of education, experience or training on a full or part-time basis, he or she may return to Disability status if: (1) the Insured has not been back to work for longer than 30 days; and (2) the attending Physician certifies a return to Disability status due to the same Paralysis or Coma which caused the original Disability. However, with respect to an Insured for whom the occupational definition of Disabled/Disability is not

appropriate, if the Insured engages in any of the usual activities of a person of like age and sex in comparable health, he or she may return to Disability status if: (1) the Insured has not been engaging in such activities for longer than 30 days; and (2) the attending Physician certifies a return to Disability status due to the same Paralysis or Coma which caused the original Disability.

Periods of Disability separated by less than 30 consecutive days will be considered one period of disability unless due to separate and unrelated causes.

The Company reserves the right, at the end of the Waiting Period (and as often as it may reasonably require thereafter) to determine, on the basis of all the facts and circumstances, that the Insured is Disabled due to the Paralysis or Coma, including, but not limited to, requiring an independent medical examination at the expense of the Company.

Coma - as used in this Rider, means a profound state of unconsciousness from which the Insured cannot be aroused to consciousness, even by powerful stimulation, as determined by a Physician.

Disabled/Disability - as used in this Rider, means that the Insured is unable while under the regular care of a Physician, to perform the material and substantial duties of any occupation for which he or she is qualified by reason of education, experience or training. However, with respect to an Insured for whom an occupational definition of Disabled/Disability is not appropriate, Disabled/Disability means, as used in this Rider, that the Insured is unable, while under the regular care of a Physician, to engage in any of the usual activities of a person of like age and sex whose health is comparable to that of the Insured immediately prior to the accident.

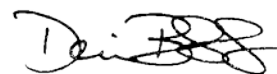

Limb - as used in this Rider, means entire arm or entire leg.

Paralysis - as used in this Rider, means the complete loss of function in a part of the body as a result of neurological damage, as determined by a Physician.

EXCESS BENEFITS RIDER

This Rider is attached to and made part of the Policy effective October 1, 2015. It applies only with respect to accidents that occur on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

Excess Benefits. This Rider applies when an Insured has Accident Medical Expense coverage (herein called This Plan) under the Policy and health care coverage under one or more other Plans. When there is a basis for a claim under This Plan and another Plan, This Plan is an excess plan which has its benefits determined in excess of the benefits of the other Plan as described below, unless both: (1) the other Plan has coordination or excess benefits rules that require its benefits to be determined in excess of the benefits of This Plan; and (2) This Plan has covered the Insured longer than the other Plan has. When This Plan is an excess plan, the benefits of This Plan for any Allowable Expenses will be reduced when the sum of:

1. the benefits that would be payable for those Allowable Expenses under This Plan in the absence of this Rider; and
2. the benefits that would be payable for those Allowable Expenses under the other Plans in the absence of provisions with a purpose like that of a coordination or excess benefits provision, whether or not claim is made;

exceeds the amount of those Allowable Expenses. In that case, This Plan's benefits will be reduced so that they and the other Plans' benefits do not total more than the amount of those Allowable Expenses.

Right to Receive and Release Needed Information. The Company has the right to decide which facts it needs to administer this Rider. It may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts it needs to pay the claim.

Facility of Payment and Right of Recovery. If a payment made under another Plan includes an amount that should have been paid under This Plan, the Company may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services. If the amount of the payments made by the Company is more than it should have paid under this Rider, it may recover the excess from the persons it has paid or for whom it has paid, insurance companies or other organizations.

Plan - as used in this Rider, means any of the following group, group-type (such as, but not limited to, franchise or blanket), family or individual coverages which provide benefits or services for, or because of, health care: (1) insurance policies; (2) subscriber contracts; (3) uninsured arrangements; (4) coverage through health maintenance organizations and other prepayment, group practice and individual practice plans; (5) medical benefits coverage in automobile "no-fault" and traditional automobile "fault" type contracts; and (6) coverage under a governmental plan or coverage required or provided by law; but not including: (a) a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time); or (b) a plan or law when, by law, its benefits are in excess of those of any private insurance plan or other non-governmental plan.

Allowable Expense - as used in this Rider, means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by the Policy and is covered at least in part by one or more other Plans covering the Insured. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered is both an Allowable Expense and a benefit paid, if the reasonable cash value had been charged as the cost for the service and such expense would have been covered at least in part by the Policy.

SUBROGATION AND RIGHT OF RECOVERY ENDORSEMENT

This Endorsement is attached to and made part of the Policy effective October 1, 2015. It applies only with respect to benefits payable under the Policy on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Endorsement.

The following section is added after the Exclusions section of the Policy:

SUBROGATION AND RIGHT OF RECOVERY

As a condition to receiving Accident Medical Expense benefits under this Policy, the Insured (or, if he or she is deceased, an authorized representative of the Insured) agrees, except as may be limited or prohibited by applicable law:

1. to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage; and
2. without limiting the preceding, that the Company is subrogated, for the purpose of the Company's recovery of any such benefits paid to or on behalf of the Insured, to any and all claims, causes of action or rights that he or she has or that may rise against any Third Party who has or may have caused, contributed to or aggravated the injury or condition for which the Insured claims an entitlement to Policy benefits, and to any claims, causes of action or rights he or she may have against any Coverage for the injury or condition for which the Insured claims an entitlement to Policy benefits.

The Insured agrees that he or she will make a decision on pursuing any and all claims, causes of action and rights against any and all Third Parties and Coverage within 30 days of the date the Company requires that the Insured provide Notice of Claim for the injury or condition for which such Policy benefits are sought, and within such 30-day period will so notify the Company in writing. In the event the Insured decides not to pursue a claim, cause of action or right against a Third Party or Coverage, or fails to notify the Company of his or her intent to do so within such 30-day period, the Insured authorizes the Company to pursue, sue, compromise or settle any such claim, cause of action or right in his or her name, authorizes the Company to execute any and all documents necessary to pursue any such claim, cause of action or right, and agrees to cooperate fully with the Company in the prosecution of any such claim, cause of action or right.

If the Insured is a minor or is not competent to make this agreement, the legal guardian of the Insured's property makes the agreement on the Insured's behalf as a condition to receiving Accident Medical Expense benefits under this Policy on behalf of the Insured. If the Insured has no guardian for his or her property, the person or persons who, in the Company's opinion, have assumed the custody and support of the minor or responsibility for the incompetent person's affairs make the agreement on the Insured's behalf as a condition to receiving such benefits under this Policy on behalf of the Insured.

The Company will not pay or be responsible, without its written consent, for any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured against any Third Party or Coverage.

Coverage - as used in the Subrogation and Right of Recovery section of this Policy, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except this Policy and any fund or insurance policy providing the Policyholder with coverage for any claims, causes of action or rights the Insured may have against the Policyholder).

Third Party(ies) - as used in the Subrogation and Right of Recovery section of this Policy, means any person, corporation or other entity (except the Insured, the Policyholder and the Company).

IMPORTANT NOTICE TO OUR CUSTOMERS REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under presidential wartime and national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or person may enter into certain transactions in or connected to such designated "sanctioned" countries.
- OFAC maintains a directory known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:

<http://www.ustreas.gov/offices/eotffc/ofac>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you or any insured, additional insured, loss payee, mortgagee, or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or "freeze" property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an "APPLICATION FOR THE RELEASE OF BLOCKED FUNDS" and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <http://www.ustreas.gov/offices/eotffc/ofac/legal/forms/license.pdf>

About this Notice

You are receiving this notice because you have insurance under an individual or group Accident and Health (A&H) policy from one of the property-casualty insurance company subsidiaries or affiliates of American International Group, Inc. (collectively, the "AIG Companies" or "we") listed at the end of this notice.

If the A&H insurance policy you have does not provide payment for the cost of medical care, then this Health Insurance Portability and Accountability Act (HIPAA) Notice does not apply to you. In that case, the AIG Property Casualty Privacy and Data Security Notice you also received from us describes our privacy practices and your rights under state laws related to personal health and other personal information we may have collected about you in the course of conducting business with you.

If the A&H insurance policy you have provides payment for the cost of medical care, the AIG Property Casualty Privacy and Data Security Notice applies and the Health Insurance Portability and Accountability Act requires us to send you this additional notice of our obligations and your rights, under federal law.

Our Duties

We are required to maintain the privacy of protected health information and to provide you with notice of our legal duties and privacy practices with respect to protected health information. We reserve the right to change the terms of this notice and to make the new notice provisions effective for all protected health information that we maintain. In the event we revise the practices related to privacy described in this notice, we will provide you with a revised notice by mail.

With respect to protected health information, you have the following rights:

1. The right to request restrictions on certain uses and disclosures of protected health information including the uses and disclosures listed in this notice and permitted disclosures by law. However, we are not required to agree to a requested restriction except for a request for a restriction to your protected health information where you have paid for the cost of the health care item or service in full and disclosure is not otherwise required by law;
2. The right to reasonably request to receive confidential communications of protected health information by alternative means or at alternative locations;
3. The right to inspect and copy your protected health information in our records, in either hard copy or electronic form to the extent that we maintain such records electronically, except:

 - if the protected health information was obtained from someone other than us under a promise of confidentiality and the access requested would be reasonably likely to reveal the source of the information.

We may also deny your request to inspect and copy your protected health information if:

- a licensed health care professional has determined that the access requested is reasonably likely to endanger your life or physical safety or the life or physical safety of another person;

The examples of permitted uses and disclosures listed above are not provided as an all-inclusive list of the ways in which protected health information may be used. They are provided to describe in general the types of uses and disclosures that may be made.

We do not use protected health information for fundraising activities, however, if we were to do so, you would be provided with the right to opt out of any such use.

We will not use your protected health information for any of the following activities without obtaining your prior written authorization:

- Marketing activities using protected health information;
