

ENTRANCE COUNSELING

What is Entrance Counseling?

Student Loan Entrance Counseling is a mandatory process that is intended to help borrowers better understand the responsibilities that they will be taking on with federal loans. Entrance Counseling provides information on how to manage your student loans, both during and after college.

Entrance Counseling is a federal requirement that must be completed before San Ignacio University can disburse your loan funds.

Before You Get Started

If you have been awarded a Direct Subsidized or Direct Unsubsidized Loan, you will need to complete Entrance Counseling. This applies to students borrowing their Direct Loan(s) for the first time at San Ignacio University.

For a student to receive any Federal Direct Loans, they must complete Loan Entrance Counseling. Only students need to complete Loan Entrance Counseling – a parent will not have to complete Entrance Counseling, even if they have taken out a Direct PLUS Loan.

TRANSFER STUDENTS: If you have previously attended another college where you took out Direct Loans, and completed Loan Entrance Counseling, but have recently transferred to SIU and are taking out additional Direct Loans, you are still required to complete Entrance Counseling for the loans you are taking at SIU.

Entrance Counseling will take about 20-30 minutes. You must complete it all at once – you cannot save and return later to complete it.

What Do I Need to Complete Entrance Counseling?

Your Student FSA ID – you must sign in as the student!

Your Eastern Financial Aid Package for reference

Entrance Counseling will take about 20-30 minutes.
