

DISCLOSURE OF PHYSICIANS OWNERSHIP

Welcome to Legent Orthopedic Hospital Carrollton. Legent Orthopedic Hospital Carrollton meets the Federal definition of a physician-owned hospital, and is proud to have a number of quality physicians invested in our facility. Due to your physician's concern over improving the quality and reducing the cost of medical procedures, along with a number of other physicians, he or she may have invested in Legent Orthopedic Hospital Carrollton. Your physician's ownership interest in Legent Orthopedic Hospital Carrollton does however mean that your physician may benefit from choosing to perform your surgical procedure at this hospital. The investment provides your physician an opportunity to retain quality control over your medical procedures, to have a voice in the administration of policies at our facility, and to ensure that your medical costs are reasonable. This involvement helps to ensure the highest quality of surgical care for our patients. A list of the hospital's owners that are physicians (or their immediate family members) is included below.

Your physician hereby advises you that you have the right to choose to be treated at another facility and select a doctor that is not invested in Legent Orthopedic Hospital Carrollton. You will not be treated differently by your physician if you choose to obtain health care services at a facility other than Legent Institute for Specialized Surgery.

Legent Orthopedic Hospital Carrollton is committed to providing clinical excellence in a safe, attractive environment for you and your family members. We are proud that many of the physicians who practice here have chosen to have ownership in this hospital. Their ownership enables them to have a voice in the administration and policies of our hospital. This involvement helps to ensure the highest quality of care for you.

If you have any questions concerning this notice, please feel free to ask your physician.

We welcome you as a patient and value our relationship with you.

Thank you!
