

Quick Sermons (Just Before the Offering)

JEREMIAH 29:11

Is a wonderful scripture I want to read you. The general men, as you look for this, men that make plans for their sons, their daughters, and their children. But how many of you are aware that God also makes plans for His people? If you believe that say "Amen". Let me read His plans to you from Jeremiah 29:11, For I know the plan I have for you, plans to prosper you and not to harm you, plans to give you hope and the future. Boy what a plan He has for our life. And you just heard the heart of God, towards you, toward His sons, towards His daughters. Because as many have received him, to them He gave the power to become the sons or daughters of Christ. You see, the Bible said that He had plans to prosper you. Now how do we find out where His plans are? First of all, we find out where His plans are in the word of God. You see God has set forth principles in His word that will release the blessings of God in these lives. And these instructions in this book are God's plans for you to receive your inheritance that Jesus Christ died for on the cross. You see the Bible says, that the silver and gold in the world are His. The Bible said the cattle on a thousand hills are His. The Bible said that the earth and the fullness thereof. Everything in the earth, all the minerals, are His. So that is our inheritance if they belong to Him. Where does this come to, tell me? His sons and His daughters. And those are God's plans to receive the part, the part that was yours that Jesus died and put these things in the earth for you. Where do you find the second plan He has your life? In prayer. You see when you pray the Bible says the God will give you ideas, maybe an invention. Maybe a little idea that will help you in your job to get an advancement. To be blessed and to prosper. The third place we find God's plans for our life is when we acknowledge Him. He said in all your ways acknowledge Him, and He will direct your path. And one of the ways we acknowledge Him is realizing that He is Lord of our life. Realizing that He is Lord of our physical situation, our spiritual situation, and our financial situation. And one way we show He's the Lord of our life is, when we give of our tithe and offering to God.
