LUKE12:29

And this scripture reaffirms that God is on our side, he's on our side in everything that we do, in our work in our business, in our occupations, when we play sports, he's with us in our financial affairs, you see Gods' not trying to get money from you, he's trying to get money thru you, he's trying to bless you so he can bless the entire world.

And I read to you now from luke12VS29, and seek not what you shall eat, and what you shall drink, neither shall you be doubtful at heart.

He's saying I don't want you to worry, worry about these thing's, what you'll be clothed with, what you'll eat, don't live your life full of stress and worry.

For all of these things do the nations of the world seek after

By the way it's true, that's what the world is doing, they seek after fame, fortune, and riches, and we are told by the world that we need to horde everything, store it hid it for a rainy day because it's going to come. But he goes on to say for all these things the nations of the world seek after.

But your father knows that you have need of these things.

Now we introduce the father's heart, the father know these things, I know what your needs, I know the burden of your heart, he said before you even ask I know what you need. And aren't you glad we have a father who knows what we have need of? AMEN, **but then he goes on to say seek ye the kingdom of God.**

Don't seek all these things for personal gain, he's saying seek the Kingdom of God put your energy in the Kingdom of God! Put your talents behind the Kingdom of God channel everything you've got to the Kingdom of God! And he said if you'll do that all of these things shall be (subtracted) from you?, I'm sorry did I say something, Oh, Oh, or did he say I take all this away from you, well let's read that again, maybe I messed that up, and all these things...a lady said I need new glasses back there, no it says all these things shall be what? Then, (added says the crowd) man I messed that scripture up, gave you the wrong word.

“God is saying you take care of my work, AND I'LL TAKE CARE OF YOUR MATTERS, fear not little flock for it's the fathers great pleasure to give you the Kingdom, so when you've got God and you take care of his business, he'll take care of yours” because when you've got the Kingdom you've got everything. So as a father God is giving you the secret of happiness, success, and blessings in life.
