TESTIMONIAL BY PASTOR

I want to tell you a story this morning, last week after the night service I was talking to Ted Haggard, and while we were talking he spoke of a Pastor in Nigeria who has a church that tithes 100%, I looked at him and said...wow!! As they were talking, the Nigerian Pastor asked Ted, doesn't everyone in your church tithe, Ted paused and said no not everyone tithes in my church. So you have a unbelieving church, folks after I heard that I have a goal now to be the first 100% tithing church in America, come on say a good AMEN!! I believe this church can be that kind of a believing church don't you, when other church's tithing has gone done, were seeing revival here at this one, what do you say, lets be the fist 100% tithing church for the Glory of God.
