- isolation from peers
- low academic performance
- loss of social interest
- taking on adult roles

Kesem can help.

ABOUT KESEM

Kesem is the leading national nonprofit that supports children impacted by a parent's cancer. Founded in 2000, Kesem's community of more than 4,000 volunteer college student leaders at more than 120 college campus chapters across the country provides year-round programs and services to support children ages 6-18 at no cost to families.

Its flagship program, [Camp Kesem](#), is a week-long, sleep-away summer camp.
