E MA HO RIG TONG OD SAL KA DAG CHHÖ KYI KU DZIN MED YE DROL GYAL WA LONG KYOD DZOG

How marvelous! The unity of awareness and emptiness, utterly lucid original purity, is dharmakaya. The victorious state of timeless awareness, without grasping, is samboghakaya.

GYUR MED RANG JUNG LHUN DRUB TRUL PAI KU KU SUM DOR JE DZIN DER SOL WA DEB

The unchanging and naturally occurring spontaneous presence is nirmanakaya. I supplicate the vajra holder of the three kayas.

To you noble guru and tertön of the three secrets, without confusion, I supplicate. Grant us the sublime and ordinary spiritual accomplishments!

This supplication was offered by Jamyang Khyentse Chökyi Lodrö in Darjeeling, India. May it prove virtuous and excellent!

of The United of the Enlightened Intent of the Three Kayas, and a protector of the teachings and beings in these degenerating times—I supplicate you, Padma Gargyi Wangkhyug.

During the drubchen practice of Vajrasattva from the Kusum Gongdü cycle, this supplication was requested by Khenpo Urgyan Wangchuk and written as a necessary part of the lineage supplication by the one who bears the title of Gochen Tulku Sang-ngag, on the eleventh day of the month of Saga Dawa in the Iron Tiger year [May 24, 2010].
