Formica Melamine Doors are manufactured, marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as Laminex. The colours and finishes of the products featured within the imagery in this brochure are as close to Formica Melamine Doors as photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Formica Melamine Doors are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Formica Melamine Doors should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of Formica Melamine Doors 7 year limited warranty from formica.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. **Formica®**
