

Low Maintenance - Hygienic Surface - Moisture Resistant - Stain Resistant - Impact Resistant - Scratch Resistant

WOODMATT

what you've been waiting for

polytec

WOODMATT

WOODMATT is a next generation product innovation from **polytec** achieved through advanced print quality, improved surface finish - and tweaking natural timbers with more contemporary tones.

Combining the best of natural timber with technology advancements, the matt finished subtle woodgrain embossing — is designed to match perceptions of authentic timber veneer — in look, feel and warmth.
