About Us

Indusion Consulting is a leading executive search firm, focused on mid to senior level hiring across multiple sectors and locations in India.

As former industry professionals, our consultants offer first-hand insight into business challenges, the deepest domain knowledge, and extensive talent networks to the clients and candidates they work with.

Our class-leading expertise in closing critical roles has helped us create an unparalleled track record in C-Suite, Business & Functional leadership, and other senior management roles across all our Practice Groups.

At Indusion, we are organised in Practice Groups that bring together deep talent acquisition expertise across a wide range of sectors and functions. Our coverage is among the most comprehensive across leading executive search firms in India with clients ranging from early-stage ventures to the largest global conglomerates.

Banking, Financials & Insurance

Our Banking, Financials & Insurance Practice has been at the forefront of the sector's evolution for nearly two decades and covers companies across Institutional, Consumer Banking & Finance, Insurance and FinTech domains among others. Led by former senior industry professionals, our teams have built an unparalleled track record of successful closures and projects.

Diversified Industry

Our Diversified Industry Practice brings together consultant teams that cover a wide variety of sectors and functions with a high degree of collaboration to find relevant talent. We work with clients across India and South East Asia, spanning Global MNCs, Diversified Indian conglomerates, leading sector players and Private Equity portfolio companies.
