

Beyond Oil Announces Details for its Annual General & Special Meeting

VANCOUVER, B.C. and KIBBUTZ YIFAT, ISRAEL / ACCESSWIRE / April 5, 2024 – Beyond Oil Ltd. (CSE: BOIL) (OTCQB: BEOLF) (“Beyond Oil” or the “Company”), a food-tech innovation company extending the life of frying oil, reducing costs, waste and health risks, will host its Annual General & Special Meeting (“AGSM”) on Thursday, April 25, 2024. The AGSM will be held at the offices of Endeavor Trust Corporation, Suite 1150 - 777 Hornby Street, Vancouver, BC, and virtually via Zoom, commencing at 8:00 a.m. (PST).

The meeting materials for the AGSM are now available on the Company’s [SEDAR+](https://www.sedarplus.ca) profile at www.sedarplus.ca.

About Beyond Oil Ltd.

Beyond Oil is an innovative food-tech company dedicated to transforming the way we consume and produce food. We provide sustainable solutions for the food industry, prioritizing environmental protection and the well-being of its workers and customers. Our innovative solutions help reduce costs for our partners and clients while ensuring responsible and eco-friendly practices. We are committed to environmental responsibility, minimizing the carbon footprint of the food industry on our planet. By implementing cutting-edge techniques, we deliver a healthier final product by reducing the formation of carcinogenic substances in fried food. Our vision is to create a more sustainable future where food safety, cost efficiency, and environmental consciousness come together seamlessly. Forward Looking Statement and Information

The Canadian Securities Exchange has in no way passed upon the merits of the Company and has neither approved nor disapproved the contents of this press release. Neither the Canadian Securities Exchange nor the Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release. This press release contains “forward-looking statements” within the meaning of the securities laws. Words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates” and similar expressions or variations of such words are intended to identify forward-looking statements. Forward-looking statements are not historical facts, and are based upon management’s current expectations, beliefs and projections, many of which, by their nature, are inherently uncertain. Such expectations, beliefs and projections are expressed in good faith. However, there can be no assurance that management’s expectations, beliefs and projections will be achieved, and actual results may differ

materially from what is expressed in or indicated by the forward-looking statements. In addition, we cannot assure that any patent will be issued as a result of a pending patent application or, if issued, whether it will be issued in a form that will be advantageous to us. Forward-looking statements are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the forward-looking statements. For a more detailed description of the risks and uncertainties affecting the Company, reference is made to the Company's reports filed from time to time at sedarplus.ca. Forward-looking statements speak only as of the date the statements are made. The Company assumes no obligation to update forward-looking statements to reflect actual results, subsequent events or circumstances, changes in assumptions or changes in other factors affecting forward-looking information except to the extent required by applicable securities laws. If the Company does update one or more forward-looking statements, no inference should be drawn that the Company will make additional updates with respect thereto or with respect to other forward-looking statements. References and links to websites have been provided as a convenience, and the information contained on such websites is not incorporated by reference into this press release. The Company is not responsible for the contents of third-party websites.
