RECOMMENDED IMPLEMENTATION

We recommend that you test out Xfrost via a giveaway; A day where you serve free ice cream to give to the students who purchase lunch. This method is low cost, low commitment, and allows you to know how many students will like the product while giving them a treat. It's a win-win-win.

01 PLAN

Sample the product, and plan your giveaway date.

02 GIVEAWAY

Implement giveaway day with school lunch.

03 IMPLEMENT

Decide upon a commitment; implement a la carte.
