

When you arrive please report to the reception within the PET-CT Centre.

Please note, on site parking charges still apply for disabled blue badge holders

## How to find Ashford PET-CT Centre (William Harvey Hospital)

William Harvey Hospital, Kennington Road, Willesborough, Ashford, Kent TN24 0LZ

### Travelling by Car

William Harvey Hospital is signposted from junction 10 of the M20. Enter the site off the A2070 mini-roundabout and park in the Main Visitor Car Park. The scanner is adjacent to the Renal Unit. There is a drop off point in front of the Renal Unit.

### Car Parking

**Pay-on-Foot:** Main Visitor Car Park, take the second left and enter through the barriers.

**Designated Bays:** are close to the Hospital entrances for blue badge holders at a fixed charge of £2 per day. Tickets from the pay and display machines should be displayed alongside your blue badge in the windscreen.

### Travelling by Rail or Bus

There are regular direct train services to Ashford International rail station. It is a short walk to the town centre, from where bus services run every 15 minutes to the hospital. Ask for a plus bus ticket before travelling. This will include your bus and train fares and save you time on your journey.
