

A School Streets trial is happening here soon...

Have your say on the one-day trial road closure outside Griffithstown Primary School during drop-off (08:15 – 09:15) and pick-up (14:45 – 15:45) times on Wednesday 17th April 2024.

This will help tackle congestion, improve air quality and make it easier and safer to walk and cycle to school.

Scan the QR code below to complete the parent / guardian survey, before it closes on Sunday 24th March 2024

Alternatively, paper copies can be obtained from school admin staff – just ask
