

An aerial photograph of a city street. In the foreground, a multi-lane road with white lane markings and arrows is visible. Several cars are driving on the road. To the right of the road is a sidewalk with a few trees and a building. In the background, a large, ornate clock tower with two visible clock faces stands prominently. The tower is made of light-colored stone or brick. Behind the tower, a river flows through the city. The sky is clear and blue. A large, semi-transparent white text overlay is positioned in the upper half of the image. A solid yellow rectangular bar is located above the text, and a solid orange rectangular bar is located below the text.
