**CHAIRPERSON'S STATEMENT
FINANCIAL YEAR ENDED 31 AUGUST 2021**

The financial year 2020/2021 was a very challenging one for Gasóga na hÉireann / Scouting Ireland (hereinafter referred to as 'Scouting Ireland') and indeed everyone on the island of Ireland as we came to grips with the continuing impact of the ongoing global pandemic. The year was characterized by evolving restrictions, uncertainty and lock downs which made it difficult for our Scout groups, north and south, to plan and provide scouting to our youth members.

It was also a time for innovation, in delivery of our youth programme and a time for greater community involvement with many groups providing community support and initiatives.

Every Group is different, every Group has a different set of circumstances and I believe that all over Ireland our Groups responded well. Most continued to Scout (one way or the other), some thrived, some adopted their approach and others suspended activities. The circumstances vary greatly and depending on the capacity of volunteers to provide Scouting. For many good reasons, Groups were not able to operate during the Covid crisis. Some of our volunteers are front line workers, some are vulnerable themselves and others care for the vulnerable. When our Scouting year started in September 2020 about a quarter of our groups were closed with around 22% closed since March 2020.

The lack of face-to-face meetings (and County, Provincial and National events) has been a challenge for everyone in Scouting Ireland. Thankfully we can now meet and hopefully this will continue. It was great to meet so many volunteers and youth members at events, camps, and conferences over the last while.

The impact of COVID-19 on our youth members will only become apparent over time. I'm a programme Scouter with a Scout section and support our Venture section in my Group. In these times, I have seen the value of Scouting for these sections in particular – when I see the level of participation and involvement that our Scouts and Ventures in our activities, I am in no doubt as to the value of Scouting to teenagers as we enter a post Covid future. Now, more than ever, Scouting matters. The impact on Rover and our younger Beaver and Cub sections is similar.

Impact on Finances and staff

The impact of COVID-19 on our finances was also severe. After cutting expenditure to the very bone the Board reluctantly put our staff on a three-day week from the middle of March until September 2021. Cutting the pay of our dedicated staff by 40% was not something the Board did lightly but with membership subscriptions down circa €1m we had no option.

I explicitly acknowledge the support of the Scout Shop (the Outdoor Adventure Store) who helped by supporting an early payment scheme which provided cash flow relief and who made a donation of €85k that together with cost savings and another grant allowed us to bring our staff back to full time hours. The three-day week has impacted our staff complement with six permanent staff leaving and not replaced during the financial year. As our numbers recover, we have budgeted for the recruitment of staff.

The Board confirmed Scouting Ireland's status as a going concern with the difficult financial decisions that were made in the previous year ensuring that the company remained viable, stable, and capable of meeting its mission.

Major developments in 2020/21

2020/21 saw the launch of a new Strategic Plan modified to take account of the evolving COVID crisis. This strategy and its objectives are the basis of our development and will guide us in the years ahead.

The year also saw the election of Jill Pitcher Farrell as our youngest and first female Chief Scout. Our Chief Scout has briefed the Board regularly since her election and we look forward to continuing to work with her and her newly appointed team. Our youth representatives have a new home within the office of the Chief Scout and the youth assembly and youth forum are among the national, provincial, and county events that have returned.

Subsequent to the year end, we have all watched in horror the atrocities taking place in Ukraine and we have been moved by the plight of the Ukrainian people forced to flee their homeland. Recognizing the emergency Scouting Ireland contacted the Government and Irish Red Cross to explore ways through which we can assist those seeking refuge in Ireland. We are providing urgent assistance by making our hostels available as immediate emergency accommodation for incoming refugees. This is helping alleviate the shortage of beds available in Ireland.

We the Board, lead Scouting Ireland supported by volunteers and staff. I am grateful to those that have stood up and come forward, answering the call to serve on our Department Core Teams, our Project Teams, our Support Teams and, from an oversight perspective, our Board Sub Committees.

CHAIRPERSON'S STATEMENT continued
FINANCIAL YEAR ENDED 31 AUGUST 2021

Our CEO, Ms. Anne Griffin, leads a team of professional staff who have carried out their roles bravely and professionally in trying times, no less so when faced with the challenges that COVID-19 brought. I would like to thank them for their commitment and work on behalf of my colleagues on the Board but also on behalf of the wider Scouting Ireland family.

My most sincere thanks and appreciation for our Adult Volunteers who are the essence of what Scouting is about and what Scouting means to our communities right across this island. Our Adult Volunteers give so much to their communities, guiding our young people along their Scouting trails and continue to be that beacon of positivity and inspiration for our youth membership. That spirit of volunteerism and service runs deep in our veins.

My sincerest thanks to my fellow adult volunteers, including fellow Board members. Your commitment and dedication are deeply appreciated by our young people, their parents and wider society.

Together we are Scouting Ireland. Our mission of providing the adventure of Scouting in a safe, exciting, and importantly a fun environment, has never been more important. I am proud to be a member of such a fantastic movement, as I know you are.

DIRECTOR'S REPORT
FINANCIAL YEAR ENDED 31 AUGUST 2021

The Directors, who are also the Trustees for the purposes of charity law, are pleased to present their annual Directors' Report together with the financial statements of the charity for the financial year ending 31 August 2021 which are also prepared to meet the requirements for a Directors' Report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act, 2009, the Companies Act, 2014, the Company's Constitution, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Our Purpose

Gasóga na hÉireann / Scouting Ireland (hereinafter referred to as 'Scouting Ireland') is dedicated to enabling and empowering young people to realise their full potential, through its core values based on the Scout Promise and Law, fostering active citizenship and helping create a better community, society and world.

Scouting Ireland is Ireland's leading non-formal educational Youth Movement: innovative, influential, dynamic and making a real contribution to local communities, across the island of Ireland with an inclusive and progressive culture (based on the Scout Law and Promise) with young people fulfilling their potential, facilitated by Adult Volunteers who are committed to the young person's education and personal development.

Scouting Ireland aims to have a progressive self-education, known as the Scout Method, the principal elements of which are:

- Voluntary membership of a Scout Group, which, guided by adults, is increasingly self-governing in its successive age groups.
- Commitment to a code of living as expressed in the Promise and Law, the meaning of which is expanded as the member grows towards maturity.
- The provision of a wide range of attractive, constructive and challenging activities, including opportunities for adventure and exploration both indoors and outdoors.
- The provision of opportunities for leadership and responsibility.
- Learning by doing.
- Encouragement of activity in small groups.
- An award scheme, which encourages participation in its full range of activities and provides recognition of individual and group achievements.

Scouting Ireland relies on grants and the income from membership fees, National Scout Centres, donations and events.

DIRECTOR'S REPORT continued
FINANCIAL YEAR ENDED 31 AUGUST 2021

Achievements and Performance

Scouting Ireland has a membership of circa 35,000 and is active in almost 500 communities in Ireland. There were 256 Beavers, 341 Cubs, 47 Scouts, and 5 Venturers awarded the Chief Scout Award this year.

Covid-19

The disruption caused by the global pandemic Covid-19 continued to impact our Scouting activities throughout the financial period for year-end 31 August 2021 and beyond, including fundraising and other operational activities. However, we are delighted to note that the government has lifted restrictions from 22nd January 2022, and this will have a positive impact for Scouting into 2022. At the start of the pandemic Scouting Ireland put policies and procedures in place that prioritise the health, safety and wellbeing of all our Scouters, as well as our staff and volunteers. This ensured compliance with government guidelines at all times while supporting any opportunities to rise to the challenge of joining the national pandemic response at a community level. This was evident during last year, when local projects and initiatives included visiting those living alone and in nursing homes, delivering groceries and medical supplies, and spreading kindness and good wishes to raise spirits in the community. The resourcefulness of our Volunteers has not gone unnoticed as they provided this significant support to many in their localities.

During the current year as the national response to the pandemic evolved, we were able to see virtual scouting meetings slowly replaced with the small-group system that could safely be developed in a number of youth and sporting activities. This ensured that our young people could have a vital outlet and some certainty in these very uncertain times. It has to be acknowledged that this was a tremendous effort on behalf of our Volunteers who gave of their time while continuing to fulfil their personal family roles and in some cases providing vital professional care as front-line workers in the public health setting.

Our professional staff within Scouting Ireland also rose to the occasion and maintained vital services while being placed on a reduced 3-day week for a number of months during the financial year. The difficult but necessary proactive actions by the directors included the reduction, cancellation and/or deferment of virtually all operational expenses in line with income to maintain the viability of the business, while ensuring the continued protection of critical safeguarding and safety functions and frontline support to volunteers. The company also availed of all government supports available.

Financial Review

Considering the uncertainty and risks surrounding the pandemic, in May 2020 the World Scout Committee, in close collaboration with hosts Scouting Ireland, decided to postpone the 16th World Scout Moot by one year to 2022. Unfortunately, whilst the pandemic situation improved in many parts of the world, there remained a great deal of uncertainty around convening large-scale international events. Among the many logistical and financial challenges were the constant changes in international travel regulations, the rising costs and financial liability for insurance and event equipment rental from suppliers, and continued risks related to the health and safety of participants. The Moot Planning Team made significant advancements in preparing for the delivery of a world-class event, however the health, safety, well-being and interests of young people and volunteers first, and following a series of constructive discussions, Scouting Ireland formally informed WOSM on 15 July 2021 it could not continue to support the hosting of the 16th World Scout Moot in 2022 and inquired about the potential further postponement of the event. The World Scout Committee considered the decision and inquiry from Scouting Ireland and acknowledged the extremely difficult situation facing the Host and the challenges associated with further postponing the event beyond 2022. As a consequence, the World Scout Committee decided on 21 July 2021 to cancel the 16th World Scout Moot.

Financial Review (continued)

These financial statements have been prepared in accordance with the Statement of Recommended Practice (Accounting and Reporting by Charities) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective from 1 January 2015).

These financial statements cover the activities of Scouting Ireland at a National level, including National events and National Scout Centres. The activities of the Scout Provinces based in the Republic of Ireland are included in the financial statements of Scouting Ireland (Association). The activities of the Northern Scout Province are included in the financial statements of The Scout Foundation (NI).

National Scout Centres' income and expenditure excludes our National Scout Centre at Castle Saunderson, which is included within a related entity, Scouting Ireland Campsites and Facilities CLG

Financial Highlights:

- Net Expenditure of (€0.465m) in 2020/21 (Net expenditure of (€1.727m) in 2019/20)
- Spending on charitable activities decreased by 32% to €4.357m
- Covid-19 had a significant adverse impact on Membership Income, National Scout Centres Income and National events income

Financial Results

Income

Total income for 2020/21 amounted to €3.932m compared with €4.751m in 2019/20, a decrease of 17%. Covid-19 had a significant adverse impact on membership fees, fundraising income, National Scout Centres income and National Events income.

In 2020/21 we received wonderful support from the Department of Children, Equality, Disability, Integration and Youth for our core grant of €1.179m and other grants of €0.188m. We also received a grant from the Department of Rural and Community Development of €0.100m to assist with the impact of Covid-19, and a grant from Irish Aid of €0.044m.

Expenditure

Total expenditure for 2020/21 amounted to €4.397m compared with €6.478m in 2019/2020, a decrease of 32%. The expenditure on charitable activities decreased by €2.066m to €4.357m, mainly due to the fact that the charges for legal provisions are €1.666m less than in 2019/20. There were other significant cost savings, in particular in the areas of staff costs and Insurance. As per the charities SORP (FRS 102), expenditure on charitable activities includes expenditure relating to Youth Programme, Development of Scouting, Adult Support & Training, Support & Services to Members and Hosted Events.

Reserves

Restricted and unrestricted reserves at the end of the year decreased by €0.465m. Restricted funds are those received which have been earmarked for a special purpose by the donor or the terms of an appeal. Unrestricted funds are those received which are not subject to any special restriction. They are divided between general funds and designated funds. Designated funds comprise amounts set aside by the Directors for a particular purpose. On the 31st August 2021, the unrestricted reserve was in a deficit position of (€5.332m) (2019/20: (€4.725m)). The directors wish to increase the current level of reserves so that they are holding 3 – 6 months operating costs plus cover for additional potential costs such as redundancy costs. The Directors recognise that it will take time for membership numbers to recover to pre Covid-19 levels which will have a resultant impact on income and therefore their ability to increase reserves in the short term.

Unrestricted General Funds Reserve

The Reserves Policy of the Company establishes an appropriate target range for the level of general 'free' reserves. The range is based on a risk assessment of the probability and likely impact on the Company's activities that might be caused by a global pandemic, a decline in income, an inability to meet financial obligations, or an inability to reduce expenditure in the short term.

DIRECTOR'S REPORT continued
FINANCIAL YEAR ENDED 31 AUGUST 2021

Tangible Fixed Assets

The Company made capital investments during the year of €0.075m.

Remuneration / Pay Policy

The Directors consider the Board of Directors and the Senior Management Team (the Chief Executive Officer and Managers) as comprising the key management personnel of the charity in charge of directing and controlling, running and operating the Company on a day-to-day basis. The Directors give of their time freely and no director received remuneration in the year. Details of Directors' expenses are disclosed in note 11 of the accounts. The pay of the Senior Management Team is reviewed annually by the CEO, which takes into account market comparators, cost of living increases and the financial position of the organisation. The Governance, Compliance, Remunerations and Nomination subcommittee is responsible for recommending to the Board any change to the CEO's salary. The remuneration benchmark is the mid-point of the range paid for similar roles. In view of the nature of the charity, salaries are benchmarked against pay levels in other charities of a similar size run on a voluntary basis.

Investment Powers and Policy

The Directors, having regard to the liquidity requirements of operating Scouting Ireland, have kept available funds in an interest-bearing deposit account.

Provision for Liabilities

Included in the financial statements are legal provisions for liabilities of €6.828m. Under FRS 102 Scouting Ireland's Board of Directors are required to determine the liability for the historical child sexual abuse concerns in the legacy organisations; Catholic Boy Scouts of Ireland (CBSI) and the Scout Association of Ireland (SAI), so that the financial statements provide a true and fair view of the financial position at the financial year end. The Directors are satisfied that appropriate provision has been made in this year's accounts. This provision is reviewed on an annual basis.

Membership fees

Membership fee income is payable by scout groups following completion of the Census on the annual registration due date. During the financial year 2020/21 due to the impact of Covid-19 the Board of Directors requested groups to complete their census return based on the number of returning members once Covid-19 restriction abated. The Board asked groups to pay at any point up to March 2021 and offered assistance to groups through a phased payment plan. Groups were advised that a balancing statement would be issued later in the year to deal with any under or over payments. The balancing statements were issued to the groups in September 2021 and the membership income in note 6 reflects any refunds due to groups for the census returns submitted during 2021 and also membership fees paid by groups up to the 30th November 2021 for their 2021 census. Any membership fees due after this date will be included in the period in which they were received. Membership income is stated after deduction of scout group incentives. Members who join scout groups subsequent to the return of the census data/ balancing statement do not pay until the following census due date. Membership fees cover the period October to September annually. The supports provided to Groups through the recovery assistance fund are included in membership fees.

Plans for Future Periods

Scouting Ireland strategic plan envisages delivering on our mission, of empowering young people and our vision, of being Ireland's leading non-formal educational youth movement. Scouting Ireland will take a highly planned approach to sustainable development, delivering a strong understanding of the factors that drive success in Scout Groups locally. Scouting Ireland will develop the business of Scouting to directly support and fund core Scouting and our sustainable Scouting strategy.

Structure, Governance and Management Governing Document

Gasóga na Héireann/Scouting Ireland is a company limited by guarantee governed by its constitution incorporated under the Companies Act, 2014. It is registered as a charity with the Charities Regulatory Authority. The members of the Company each agree to contribute €1.25 in the event of the Company being wound up.

DIRECTOR'S REPORT continued
FINANCIAL YEAR ENDED 31 AUGUST 2021

Appointment of Directors

As set out in the constitution the Board is nominated by Scouting Ireland's AGM. All Directors must comply with the requirements of the Companies Act, 2014 and the Charities Act, 2009.

Director Induction and Training

New Directors undergo an orientation day to brief them on their legal obligations under charity and company law, inform them of the content of the Constitution, the committee and decision-making processes, the business plan and recent financial performance of the charity. During the induction day they meet key employees and other Directors. All Directors are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Organisation

The Board of Directors, which can have up to 13 members, administers the charity. The Board normally meets ten times per year and there are sub-committees which meet regularly. A Chief Executive Officer is appointed by the Directors to manage the day-to-day operations of the charity. To facilitate effective operations, the Chief Executive Officer has delegated authority, within terms of delegation applied by the Directors, for operational matters including finance and compliance, information and communication, volunteer resources, safeguarding, programme and corporate services.

Related parties and other Related Entities

Scouting Ireland provides key management personnel services and therefore has related parties, and these are noted in note 25 to the financial statements.

Risk Management

The Board of Directors has established a process to monitor and mitigate the major risks to which the company is exposed. It seeks to ensure that risk is effectively identified and managed by the Executive with oversight from the Board and its Audit and Risk Committee. The principal risks and uncertainties identified are:

- Changes in external circumstances, such as resurgence of Covid 19 or adverse macro-economic events, reduce SI members' ability to pay and numbers, reducing SI's income and its ability to meet its obligations
- SI fails to comply with principles of good governance, financial and environmental management, and its statutory obligations resulting in negative financial and reputation impact
- If SI does not attract and retain sufficient and experienced staff and expertise, it may not be adequately resourced to deliver its objectives
- Failure to comply with principles of good safeguarding to protect and support young people could result in harm with negative reputation and financial impacts
- If the interests of youth members, groups, volunteers, staff and the Board are not sufficiently aligned, then SI's focus and management of resources may be ineffective
- Reputation damage or loss incidents undermine SI's ability to achieve its objectives

Events after the end of the Reporting Period

There were no significant matters affecting the company since the year end other than those included in the Statement of Going Concern.

Statement of Going Concern

It is heartening to see that government restrictions have been lifted from 22nd January 2022 and we are delighted to see that groups have returned to conventional scouting activities throughout Ireland, which will continue for the financial year end 31 August 2022 and beyond. There are clear plans for resurgence and growth of our membership numbers after the decline due to the pandemic in the previous financial years. Our membership income for 2020/21 was 34% less than in 2019/20, but we anticipate that this will grow again over time in line with the removal of the remaining government restrictions. This will provide a route to growth and stability of the finances of Scouting Ireland. There will be future changes and there are residual risks, but over the short term, we have the capacity to manage such exposures, as well as planning, monitoring and managing cash flows accordingly.

DIRECTOR'S REPORT continued
FINANCIAL YEAR ENDED 31 AUGUST 2021

Taking all of the above into account, the Directors have a reasonable expectation that the charity has adequate resources to continue operating for the foreseeable future. Accordingly, they believe that the going concern basis remains the appropriate basis on which to prepare the financial statements.

Accounting Records

The measures taken by the Directors to ensure compliance with the requirements of Sections 281 to 285 of the Companies Act, 2014 with regard to the keeping of accounting records are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The company's accounting records are maintained at the company's registered office at Larch Hill, Dublin 16.

Statement of relevant Audit Information

Each of the persons who are Directors at the time when this Directors' report was approved has confirmed that:

- so far as that Director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Auditors

The auditor, Grant Thornton, will continue in office in accordance with section 383(2) of the Companies Act, 2014.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GASÓGA NA HÉIREANN /SCOUTING IRELAND
FINANCIAL YEAR ENDED 31 AUGUST 2021**

Opinion

We have audited the financial statements of Gasóga na Héireann /Scouting Ireland ("the company"), which comprise the Statement of Financial Activities, Statement of Financial Position and Statement of Cashflows for the financial year ended 31 August 2021, and the related notes to the financial statements, including the summary of significant accounting policies.

The financial reporting framework that has been applied in the preparation of the financial statements is Irish law and accounting standards issued by the Financial Reporting Council including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (Generally Accepted Accounting Practice in Ireland).

In our opinion, Gasóga na Héireann /Scouting Ireland's financial statements:

- give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland of the assets, liabilities and financial position of the company as at 31 August 2021 and of financial performance and cash flows for the financial year then ended and
- have been properly prepared in accordance with the requirements of the Companies Act, 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) ('ISAs (Ireland)') and applicable law. Our responsibilities under those standards are further described in the 'Responsibilities of the auditor for the audit of the financial statements' section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, namely the Irish Auditing and Accounting Supervisory Authority (IAASA) Ethical Standard concerning the integrity, objectivity and independence of the auditor, and the ethical pronouncements established by Chartered Accountants Ireland, applied as determined to be appropriate in the circumstances for the entity. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities, and the responsibilities of the directors, with respect to going concern are described in the relevant sections of this report.

Other information

Other information comprises information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies in the financial statements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GASÓGA NA HÉIREANN /SCOUTING IRELAND
(Continued)**

FINANCIAL YEAR ENDED 31 AUGUST 2021

Matters on which we are required to report by the Companies Act 2014

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements. Based solely on the work undertaken in the course of our audit, in our opinion, the directors' report has been prepared in accordance with the requirements of the Companies Act 2014.

Matters on which we are required to report by exception

Based on our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by section 305 to 312 of that Act have not been made. We have no exceptions to report arising from this responsibility.

Responsibilities of management and those charged with governance for the financial statements

As explained more fully in the director's responsibilities statement, management is responsible for the preparation of the financial statements which give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland, including FRS 102, and for such internal control as they determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

Responsibilities of the auditor for the audit of the financial statements

The auditor's objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes their opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (Ireland), the auditor will exercise professional judgment and maintain professional scepticism throughout the audit. The auditor will also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for their opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If they conclude that a material uncertainty exists, they are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify their opinion. Their conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GASÓGA NA HÉIREANN /SCOUTING IRELAND
(Continued)**

FINANCIAL YEAR ENDED 31 AUGUST 2021

Responsibilities of the auditor for the audit of the financial statements (continued)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves a true and fair view.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that may be identified during the audit.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR FINANCIAL YEAR ENDED 31 AUGUST 2021**

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation in the preparation of the financial statements are as follows:

A) Basis of Preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP (FRS102)) and the Companies Act, 2014. Accounting standards generally accepted in Ireland in preparing financial statements giving a true and fair view are those issued by the Financial Reporting Council.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements are presented in Euro (€), which is also the functional currency of the charity, and are rounded to the nearest thousand unless stated otherwise.

B) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Membership income is payable annually by the registration due date. Membership fees are recognised as income in the period in which they are received on the basis of census returns from individual Scout Groups. Members who join Scout Groups subsequent to the return of the census data do not pay until the next registration due date. Membership income is stated after deduction of Scout Group incentives.

Income received in advance of an event is deferred until the criteria for income recognition are met (see notes 4, 5, 6 & 7).

C) Donated Services and Facilities

In accordance with the Charities SORP (FRS102) general volunteer time is not recognised. Please refer to the Directors' Report for more information about their contribution.

D) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

**NOTES TO THE FINANCIAL STATEMENTS
FOR FINANCIAL YEAR ENDED 31 AUGUST 2021**

E) Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for projects that are undertaken by it.

F) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All VAT is deemed to be irrecoverable on the basis that the amount recoverable from the VAT compensation scheme cannot be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

G) Cost of Raising Funds

Costs of raising funds comprise of the costs of fundraising activities and other associated costs.

H) Charitable Activities

Expenditure on charitable activities includes all of the Charity's resources in undertaking the work to meet its charitable objectives.

I) Allocation of Support Costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs and support staff costs. Support costs are apportioned by percentages as follows: Youth programme 23%, Development of scouting 30%, Adult support & training 23%, Support & Services to members 19% and Hosted events 5%.

J) Governance Costs

Governance costs are those activities which provide the governance infrastructure which allows the Charity to operate and to generate the information required for public accountability.

K) Tangible Fixed Assets

Depreciation is provided at rates calculated to write down the cost or valuation of each asset to its estimated residual value, over its expected useful life on a straight line basis. The depreciation rates in use are as follows;

Asset Category	Depreciation rates
Land and Buildings	2%/4%/10%
Fixtures and fittings	33%
Computer equipment	33%
Motor vehicles	33%
Motor boats	33%

Capital Expenditure in excess of €1K is taken to the Statement of Financial Position in the year it is incurred and depreciated over its useful life. Expenditure of less than this amount is charged to the Statement of Financial Activities.

**NOTES TO THE FINANCIAL STATEMENTS
FOR FINANCIAL YEAR ENDED 31 AUGUST 2021**

L) Stock

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

M) Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the net amount prepaid.

N) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash, current and deposit or similar accounts.

O) Creditors and Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

P) Closed and Inactive Scout Groups

When a Scout Group becomes inactive or ceases, the custody of its assets is transferred to the charity and held as Closed Group Funds. If any of these assets are sold, the proceeds are transferred to Scouting Ireland and held as Closed Group Funds. Closed Group Funds are held for a period of up to 6 years to support any Scout Groups that may reopen. Where a Scout Group remains closed for more than 6 years, the funds may be used to directly support the development of Scouting. This period may be extended for a further 3 years at the discretion of the Board of Directors on a case by case basis.

Q) Pensions

The company has in place a PRSA scheme as prescribed by legislation. Membership of the scheme is voluntary and employees may join immediately upon employment.

The company has in place a defined contribution pension scheme for certain employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the Statement of Financial Activities.

R) Financial Instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties and loans to related parties.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, the impairment loss is recognised in the Statement of Financial Activities.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Activities when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**NOTES TO THE FINANCIAL STATEMENTS
FOR FINANCIAL YEAR ENDED 31 AUGUST 2021**

2 *Legal status*

The company is a company limited by guarantee and not having a share capital. The liability of each member in the event of winding up is limited to €1.25.

3 *Investment Income*

The company does not receive investment income other than deposit interest.

4 *Income from Donations*

The company received donation income of €0.085m (2020: €0.004m) during the year, all of which was restricted funds. Refer to note 25 for details.

The company benefits greatly from the involvement and enthusiastic support of its many volunteers. In accordance with FRS102 and the Charities SORP (FRS102), the economic contribution of its volunteers is not recognised in the Financial Statements.

9 Analysis of expenditure on charitable activities

Charitable activities have been analysed into five categories as explained in note 1. Costs are allocated using the principles explained in that note. Youth programme includes the various educational activities in which members participate. Development activities are those which are focused on growing our movement. Adult support and training includes those activities which assist leaders and other adults involved in Scouts. Support and services to the movement includes those activities, such as insurance and safeguarding of children, which underpin the activities of Scout Groups. Hosted events include WOSM / WSF and European Scout Region activities and events which are supported by Scouting Ireland.
