Made For Hig Terpene Extracts

Introducing Klean, our new high-terpene content compatible cartridge. Klean is a true testament to our dedication to preserving the authentic flavors of cannabis and the pinnacle of vaping for aficionados and connoisseurs.

## Made For High Terpene Extracts

Klean's advanced design and intentional engineering ensures that it prevents clogs, providing a clean and tasty vaping experience every time. Enjoy dense, rich clouds packed with true-to-taste terpenes as nature intended.

## Defend Your Dank

Klean allows you to consume with confidence and peace of mind. Designed with a sleek and modern metal sleeve, Klean protects your oil from deterioration caused by exposure to sunlight, while also providing discretion and privacy for those who want to fly under the radar.

## Cartridge with a Creative Canvas

Designed with both protection *and* personalization in mind, Klean's protective metal sleeve is not only sleek and durable, but also provides ample space for customization. Showcase your brand's style and add your own unique flair to Klean's design.

## Hassle-Free Batch-Cap

Streamline your production process with a quick, hassle-free snap, and save valuable time and resources with Klean's snap-fit design. Batch-capped at 50 pieces at a time, Klean provides a tight, secure seal in a flash.
