

Ones

KIDS

January & February

Our goal for the Ones class is to provide a safe space for children to get comfortable playing with others and being away from parents.

This may look different for each child. We will repeat songs, phrases, and items they can recognize to prepare them for their next class.

January | Bible

Home Activity - Play Bible nursery rhymes in the car or on Youtube. Invest in a touch and feel Bible for Baby. Read Bible story book with baby.

February | Jesus Loves Me

Talk about who loves baby, include Jesus. Point to their heart. Sing Jesus Loves Me nursery rhyme in car, or while getting cleaned up. Sing and clap to Bible nursery songs.
