

## QSF 360™

The only “end to end” turnkey Qualified Settlement Fund (“QSF”) escrow solution, that allows for QSF creation, governmental approval, and obtaining a Tax ID in as little as one business day, for multi and single event/claimant cases.

QSF 360™ benefits include up to \$125 million in FDIC coverage (per claimant), industry leading low fees, unmatched patented technology with instant access to transactional activity, documents and reporting, and increased asset safety—provided by a neutral and independent administrator leading the way in innovation and compliance.

### Our diverse expertise and experience consist of

**Qualified Settlement Fund Administration (QSF 360™)**

**Custodial Escrow Account Services**

**Commercial Escrow Account Administration and Agent Services**

**Foreign Beneficiary Payment Escrow Services**

**Settlement Protection Escrow Accounts**

**Plaintiff Recovery Trust (only solution to *Banks v. Commissioner* double tax)**

**First-Party and Third-Party Escrow Administration Services**

**Institutional Trust Administration**

## Company Overview

For 30 years, our commitment to our company values have helped create an environment that puts client success first—which is why our institutional and retail client relationships continue to grow. Eastern Point Trust has become the leading QSF provider in the United States through the administration of trusts related to some of the most recognized cases in recent history.
