

YOUR MONTHLY DONATION WILL HELP MAKE A DREAM COME TRUE.

Become a Dreamer and you'll ensure others have a bed to sleep (and dream) in.

HOME AGAIN
FURNITURE BANK

Dreamers

homeagainfb.ca

For as little as \$10/month (just 33¢/day!) your monthly donation will:

1. Provide comfort

"My daughter used to wake up to reinflate the camping mattress that was her bed. Now, she sleeps better... She even invites friends over!"

2. Provide dignity

"It's not so much about having a couch to sit on, but you've also got something that you can feel proud of because you can have people come visit and be in comfort."

3. Provide stability to move forward

"You have made a big difference in my life... Now I work, I volunteer, I exercise much more, I have animals."

4. Help families

"The furniture you have donated has blessed me and my twin teens." Almost 40% of Home Again's deliveries go to families.

5. Make you feel good

Giving to others without expecting anything in return will make you feel more fulfilled. One Dreamer shared, *"I felt it would be a privilege to help in my small way."*

6. Inspire others

When you pay it forward, your generosity will spark others to do the same.

7. Provide big results

Your monthly donation helps with planning and sustainability. That means more people will receive the furniture they need.

8. Be easier for you

It's easier to budget a small amount each month than to plan for a larger annual gift.

9. Provide a tax receipt

You will receive a tax receipt for your donation and can opt for a monthly or consolidated receipt.

10. Give you an opportunity to honour someone you love

If you're searching for a way to show someone you care for them, dedicate a monthly gift in their honour or memory. *"I donate in honour of my late mom. She was an amazing role model and a community leader."*
