# **Our Whole Person Learning Model Explained**

#### Nurturing and support

Our students have a dedicated Course Manager supporting, coaching and mentoring them throughout their course. They are available between sessions for students, should they require extra

It's learning underpinned by a safety-net of non-judgmental support and mentoring provided by the Course Manager & our Lead Education Experience & Wellbeing

### Multi-learning methodology

Our workshop style sessions incorporate a range of activities relevant to student learning styles as determined early in the course. We include activities to improve learning capability and maintain interaction throughout each session. We ensure that it's fun.

It's learning through engagement.

# Consultative delivery

Each session relates content back to specific issues that students deal with every day. Conversations during classes help students identify how they can apply the content back in their workplace, and they are encouraged to do so.

It's learning that makes a difference to how the student does their work and what they change in their service delivery

#### Contextualised material

Content is condensed into blocks of like subject matter and contextualised to the workplace. Take-Away activities reinforce their learning in the workplace immediately, so you can see the change as students modify the way they deliver their services.

It's meaningful learning with workplace relevance and application so students can recall what they have learned at the right time.

# **Emotional intelligence**

Our students gain a greater sense of self awareness, enabling them to be more insightful as they interact with others.

This enhances workplace communications and interaction; it supports client connection.

# **Build adaptability**

Our students build their creative talents to stimulate innovation, encourage problem solving relevant to the situation, and anticipate & plan for change.

Students are more able to think outside the norm to manage and plan for workplace change, effectively connecting with stakeholders.

# Applied learning

Our Whole Person Learning Model enables students to grow their capacity for retention, adoption and implementation of

Student learning is recalled in the workplace resulting in better service delivery with better outcomes.

their new best practice skills & knowledge.

#### Resilience Toolkit

Students are exposed to Tools to further build inner authentic strength and resilience through connection to values, talents, perception and passion.

Students learn to use these tools that can ultimately be life changing, resulting in a more engaged and connected team member with a toolkit to share, relevant to their clients.

maximises student Learning Outcomes

and a safety net of support that enables a student to find their inner brilliance.

They take on the new learning to become more confident, capable, connected, adaptable and accountable within their
