

PREVENTION & WELLNESS FOCUS GROUP

AMBITIONS OF THE PREVENTION & WELLNESS FOCUS GROUP

Our focus group envisions to identify pain points from startups, corporates, and Groupe Mutuel stakeholders in the field of Prevention & Wellness, to facilitate interaction between them, and to design a path for optimizing future collaboration.

To foster new challenges and get feedback from you, we will have a pre-session before launching the main programs. During the 1st pre-session, we will address:

- Framework of business development and open innovation.
- Corporate pathways to open innovation and their drivers
- Open discussion about startup roadblocks
- Selection of topics for 2 main sessions

Main session: Open Innovation
