He is also the Senior Pastor at the headquarters (Ahenfie), which currently seats thousands of vibrant and enthusiastic worshippers in weekly attendance in Accra, Ghana.

After graduating from Ghana's premier University (University of Ghana, Legon) in 1984, Most Rev. Sam Korankye Ankrah obtained various certificates in Christian leadership, management and entrepreneurship from Haggai Institute in Singapore and the Ghana Institute of Management and Public Administration (GIMPA) respectively.

He operates effectively in all the five -fold ministries and is a well sought after revivalist and international conference speaker, with passion for God and compassion for humanity. Through his philanthropic initiatives and dynamic radio and television ministries, he has transformed the lives of millions of people in Ghana and abroad. In recognition of his outstanding virtues and in appreciation of his services to the nation, he was awarded with the title, dignity and privileges of MEMBER OF THE ORDER OF THE VOLTA on the 3rd of July 2008 by the then president of the Republic of Ghana, His Excellency John Agyekum Kuffour.

and Humility in Leadership from The Azusa Revival Directorate based in the USA. On the 14th of August, 2012, the Board of Directors of Global Leadership Training, USA, in the presence of Her Ladyship Justice Mrs. Georgina T. Wood, Chief Justice of the Republic of Ghana, conferred on him the Global Excellence Award for Leadership for APOSTOLIC AND PASTORAL EXCELLENCE.

On the 28th of February 2016, the West African College of Nursing conferred the title of Honorary Fellow on the Apostle General. During the colourful celebration held at the Royalhouse Chapel headquarters and broadcast via live stream to millions across the world, the Chair of the Ghana chapter of the College stated: "This award is usually given to an outstanding member of the College of Nursing or Physicians, or to Honourable Ministers of State. This is the very first time it was unanimously agreed that someone who does not fall within this bracket should be made a Fellow and rightly so because Rev. Sam Korankye Ankrah truly deserves it."

Most Rev. Sam Korankye Ankrah's call and passion is to touch his generation with the love and power of God. To this end, he has established the renowned School of Restoration for ex-convicts, commercial sex workers, drug addicts, armed robbers and other perpetrators of social vices, in an effort to rehabilitate and reintegrate them into society.

He also has a Scholarship Foundation for Brilliant but Needy Students, a Ministry to the Aged, a Compassion Ministry which includes food, clothes and medical outreach which reaches hundreds of deprived people in the remote areas of Ghana. As an educationist, he presides over the Royalhouse Chapel Christian Leadership College. He is also a Christian statesman, advisor to leaders in government, an author, pacifist and mentor to a number of religious leaders who have submitted to his apostleship. He serves on the executive board of reputable corporate organizations in Africa and beyond; and also on reputable religious councils and associations in Ghana. He is the C.E.O of Powerline Media Ministries and his radio and television programmes reach millions of people in Ghana and across the world.

The Apostle General is currently the first Vice President of the over ten (10) million membership Ghana Pentecostal and Charismatic Council (GPCC). He is happily married to the Rev. PRINCIPAL'S ADDRESS

Rev. Mrs Sally Julie Armah
Christian Leadership College

CHRISTIAN LEADERSHIP COLLEGE
16TH GRADUATION AND MATRICULATION CEREMONY,
DECEMBER 2021
PRINCIPAL'S SPEECH

INTRODUCTION

How good it is to give thanks to you, O Most High God, to proclaim your constant love every morning and your faithfulness every night, Your mighty deeds, O Lord, make me glad; because of what you have done, I sing for joy. Ps 92: 1 & 4 (GNB).

President and Founder of the Christian Leadership College, and the Apostle General of Royalhouse Chapel International; Premier Lady of Royalhouse Chapel worldwide, Rev Mrs Rita Korankye-Ankrah; Guests of Honor; CLC Council and Faculty; CLC Alumni and Students; Guest, Ladies, and Gentlemen in the Lord:

Permit me to make this concise speech touching on the history of the College, academic programs, and achievement for this year for which we are here to celebrate the goodness of the Lord towards us.

HISTORY

The CLC was founded in April 2001 out of the vision of the President and Founder of Royalhouse Chapel International, the Apostle General Sam Korankye Ankrah, to train and equip men and women of God to transform the world through the gospel and effective leadership. The College has trained and graduated hundreds of persons, who are dedi-

cated to expanding the kingdom business as ministers of the gospel and providing leadership in various endeavors of their careers in this nation and beyond.

AFFILIATIONS

The Christian Leadership College is grateful to be affiliated with the Trinity Theological Seminary, Ghana which provides mentorship and direction to the College and admits our graduates who excel to continue their studies. CLC graduates have the opportunities to study at the Bachelor's and Master's levels at Trinity Theological Seminary.

PROGRAMMES

The College runs two programs in line with the approved curriculum of our oversight institution. The programmes are: the one-year Certificate in Ministry, and the two-year Advanced Certificate in Theology and Management. Classes are held in the evenings on Mondays, Wednesdays, and Thursdays, and our weekend classes are held on Saturdays.

FINANCIAL SUPPORT

The Apostle General and Royalhouse Chapel provide a full sponsorship to about 60% of the students and partial sponsorship /subsidies to all other students studying at the College. The church provides all the facilities, and the church also pays for the cost of running the College. Apostle General, we are most grateful.

FACULTY

The faculty of the CLC is made up of qualified and experienced lecturers from our supervising institutions and also from the Royalhouse academicians' pool with qualifications of masters' and doctorate degrees in Theology, Divinity, and Management. The College also boasts of visiting professors with rich research and practical experiences to share with the students and faculty. The College is blessed to have the Apostle General of Royalhouse Chapel International as the President of Christian Leadership College (CLC), who presides annually at our Matriculation and Graduation ceremonies.

ENROLMENT

As a leadership and ministerial College, student admissions are open to persons who desire to make a difference in ministry and leadership. Some enter with diplomas, bachelor's degrees, masters' degrees, and other professional qualifications. We admitted forty (40) students this year for Accra and Takoradi Campuses. The twenty-four (24) students

for the Accra Campus will be matriculating today. The sixteen (16) Students who enrolled earlier in January 2021 being taught via online platforms, are participating virtually in this ceremony.

REGIONAL CAMPUSES/MATRICULATION

The College continued our Online School and enrolled students from Takoradi, Cape Coast, Koforidua, and Navrongo to join the Takoradi campus. One student enrolled this year from China. The Takoradi and Online Students are graduating with Certificate in Ministry today.

ACHIEVEMENTS

The College has produced several ministers of God who are into ministry, pastoring Assemblies of Royalhouse Chapel and some of our affiliate churches. CLC has also tutored leaders in government, the military, legal, banking, consultancy, and private businesses. To mention a few, CLC had the privilege of tutoring one of the best Chief of Naval Command in Ghana and also an Electoral Commissioner in one of the African countries (DRC) who came to Ghana to study at CLC and under the feet of the Apostle General. We shall be graduating forty-seven (47) students today, and we believe among them are future Heads of State, members of Paliament, Ministers of State, Apostles and leaders of the world.

At the 2020 graduation, we were privileged to have as our main speaker, Rev. Mrs. Rita Korankye-Ankrah, who spoke on the theme 'Knowing Christ in Times of Crises'. She brought us to terms with knowing the times we were in and to be wise as serpents to succeed. Her moment of address was an excellent encounter with factual realities on the ground and we know our speakers for today will be adding to her wisdom nuggets to conquer current challenging moments for the world.

Despite Covid-19 and its challenges, CLC was able to go on Royal Service, a six week missionary programme within the Accra Metropolitan area. In the year 2020, it was suspended due to the pandemic. The College instead conducted research projects to add to our store of knowledge.

CHALLENGE

Between the years 2020 and 2021, we have had a low enrollment of students due to Covid-19. The year has been very challenging for the students as the majority are facing employment challenges. With some having to depend on the SRC and individuals for their upkeep. The

result was that some could not finish what they had started.

STUDENTS' REPRESENTATIVE COUNCIL (SRC)

The leadership of the College's Students' Representative Council (SRC) supports management in running the school through various contributions and handling of issues that relate to student welfare, discipline, and progress. The SRC leadership has been very responsible and accountable to its members and to the college. Transitions to new leadership have also been handled in very matured and professional ways that we are all proud of.

ALUMNI

The management of the College, together with the SRC for the fifth time, organized an Alumni Home Coming Season 5 this year, which hosted several old students in a one-day session of beautiful interactions, both present and virtual, with one of our faculty members in the person of Very Rev Alfred Mensah of the Methodist Church, Abura Dunkwa in the Central Region. He spoke on the topic 'Pandemics: Theological & Health Issues' (Covid-19 in Perspective).

GRADUATION

By the grace of God, we present for graduation, Fifty-Two (52) graduates today; fifteen (15) will be graduating with an Advanced Certificate in Theology and Management, and thirty-seven (37) are graduating with a Certificate in Ministry. Out of the graduating students (81%) are males and (19%) females.

MATRICULATION

Apostle President, today we present for matriculation forty (40) new students taking their oath to study with Christian Leadership College: Twenty-four (24) in Accra and sixteen (16) who enrolled online early this year in January. Out of this number, (33%) are females and (67%) male students. May I use this opportunity to encourage more ladies to join the theology, leadership, and ministerial training at CLC?

APPRECIATION

On behalf of the College, I wish to express my profound gratitude to the Council members, faculty and students body. Especially to the Chairman of the College Council, Minister Noble Kumawu who has single-handedly decided to sponsor some students with his lecturing fee.

CONCLUSION

To the graduating students, we pray that you go out there to be shining examples to the believers and transform the world as commissioned by the Lord in Matthew 28:19, by making disciples for the kingdom.

To the matriculating students, we say that as you continue to burn the midnight oil, May the Lord God reward your faith and hard work. To our cherished congregation coming to support your loved ones and the church, we encourage you that it is never too late to learn, as wisdom and knowledge are the main things in life. No age or level of education is too high to study at the CLC. You will encounter and know the God of the Apostle General better and enjoy Him more. As you join us to search deeper for Him, He shall be found by you at CLC. May God bless you all as you go to the world to touch and affect our generation.

MATRICULATION OATH & DECLARATION OF OBEDIENCE

I fully recognize that the Christian Leadership College was founded on the authority of the Word of God as a Christian College.

I, therefore, commit myself to a life of faith and devotion, the integrity of thought and action, and pursue excellence of mind and spirit.

ACADEMIC PROGRAMMES

- I. Certificate in Ministry
- II. Advanced Certificate in Theology and Management

A MESSAGE FROM THE CLC COUNCIL

It is one of the Ghana Tertiary Education Commission (GTEC)'s requirements that every specialized / tertiary educational institution has a Council / Board to oversee the smooth running of affairs. The Christian Leadership Council is no exception to this rule.

The Council of an academic institution is its policy-making body. At the 2018 meeting of the Royalhouse Apostolic and Executive Council (RAEC), presided over by the President, Apostle General, Most Rev. Sam Korankye Ankrah, the membership of the CLC Council was subjected to a significant reshuffle which ushered in the present membership as listed above with Minister Noble Kumawu as its Chairperson.

The CLC Council is currently preoccupied with supporting the CLC Administration to ensure a smooth running of the College. The Council is also working behind the scenes to manifest the establishment of the Royalhouse University College (RUC).

On behalf of the members of the Council, we welcome all students who are matriculating today and assure you of a transformed life for ministry and the corporate world. You couldn't have chosen a better time to join the CLC. Obey the rules and regulations of this institution, work hard in this endeavour, cooperate and allow the Word of God to have its deeper place in your hearts and lives as you climb to the top of this noble higher calling.

To those students who are graduating today or have graduated from other tertiary institutions, as the Apostle General releases you with a prayer, remember the advice Jesus gave to the disciples - "Behold, I send you out as sheep in the midst of wolves; therefore, be wise as serpents and harmless as doves" (Matthew 10:16). The Council, therefore, advises you that as you go out into the secular world, you are to be humble like sheep among the people you are going to start working with who may sometimes prove to be different from what you might have thought of them at first. Use your God-given wisdom and Christian value of humility to ride high over various challenges that may come your way. The Covid-19 pandemic remains another challenge to the world, and you need to be mindful of it and respect the protocols. We wish you well as you step into the world.

I am delighted to report that the Council has pushed the vision further this year by supporting student enrollment at the Christian Leadership

College (CLC) with two scholarships.

To members of the WMG and those yet to enroll, make the decision now, as we all did, and you will be glad you did.

Thank you, and God bless you all.

A MESSAGE FROM THE STUDENTS REPRESENTATIVE COUNCIL (SRC)

The purpose is when you know and understand what you were born to accomplish. Vision is what you see in your mind and begin to imagine. The vision of the Apostle General is what has birthed this great institution and raised leaders in the church and beyond. Our cherished Christian Leadership College is emerging as one of the best Colleges in Ghana and beyond.

On behalf of the gallant students' body of Christian Leadership College, you are all welcome to the 16th graduation and matriculation ceremony. It is said that the poorest person in this world is a person without a dream. For this reason, the SRC doesn't want to rest on its past glory but is putting more structures in place to make sure the students of this noble institution attain the maximum heights needed to function as Christian leaders after completion. We are also developing strategies to make sure this institution is advertised extensively to draw more students to benefit from it.

Now Graduands, Ayekoo!!! You have a world to win for Christ! You can make a difference, and you dare not fail! You have the power to create the kind of life you want to live in your hand and help create the kind of world and the kind of nation you want to see. For that matter, our continent and our country urgently need selfless, dedicated, visionary, result-driven, God-fearing ethical Christian leaders. The need is urgent and the cry is desperate!

There are a lot of so-called pastors and prophets out there defaming the name of Christ and bringing shame into Christianity. YOU MUST BE DIFFERENT! Go as an ambassador of Christ with a mission and a mandate. Go and change your world. May the good Lord give you the grace to transform lives.

Once again, congratulations and a warm welcome to all matriculants. We assure you that you have come to the right place and you have made the right choice. To get the best out of this institution, put your-

self into everything that goes on, and you will never regret what you did.

All of us are called to be leaders, no matter our status, old and young, men and women, rich or poor. We all have an inbuilt, God-given capacity to be responsible, rule, be productive, and take charge. We can take the people we have been allowed to lead from where they are to where they ought to be! Go, and change your world.

MESSAGE FROM THE ALUMNI

Today marks another milestone on the calendar of our alma mater, as it holds its 16th graduation ceremony. It is also a wonderful day for all of us gathered here to witness and celebrate with our graduands.

This year's graduation produces the 16th set of trained personnel equipped to serve. To our graduands, we have been where you are now, and we know and appreciate the joy and anxiety of ending a long academic journey mixed with happy and stressful moments. As you graduate today, you need to understand that there is a task ahead of you, and a job well done will open more opportunities to affect your generation and bring honor to the College.

We also want to remind you that you become an automatic member of the Alumni Association after your graduation. We are all aware that this year has been challenging with the Covid-19 pandemic, making school activities very difficult. But through it all, you have made it. Congratulations.

It is often said that "it takes two people to become successful friends." if you have been able to make it to this point, it means you did it with the support of others. These people are your parents & guardians, lecturers, friends, and loved ones. On behalf of the graduands, we say a big thank you to you all for your support. We also thank the President of the College for his vision and the Principal and her team of lecturers, administrative staff, and volunteers for running with the vision. Thank you, and God bless us all.

1. A CHARGE TO KEEP

A charge to keep I have,
A God to glorify,
A never-dying soul to save,
And fit it for the sky.

To serve the present age,
My calling to fulfill;
Oh, may it all my power's engage
To do my Masters will!

Arm me with jealous care,
As in Thy sight to live;
And O Thy servant, Lord, prepare
A strict account to give!

Help me to watch and pray,
And on Thyself rely,
Assured, if I my trust betray,
I shall forever die.

Chorus (2X)
VICTORY TO CLC! VICTORY TO CLC!
Christian Leadership College is the
choice to conquer all (2X)

2. TO GOD BE THE GLORY

To God be the Glory, great things
He has done, So loved He the
world that He gave us His Son,
Who yielded His life atonement
for sin, And opened the life
gate that all may go in.

Chorus

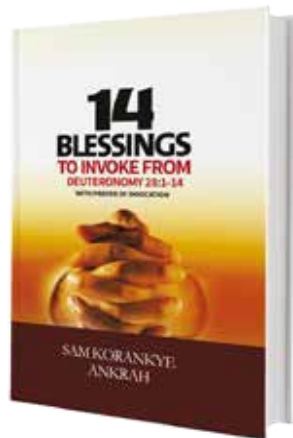

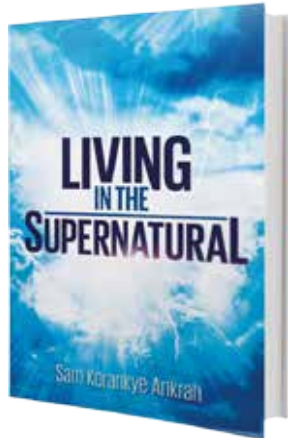

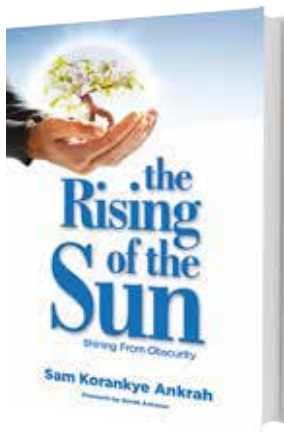

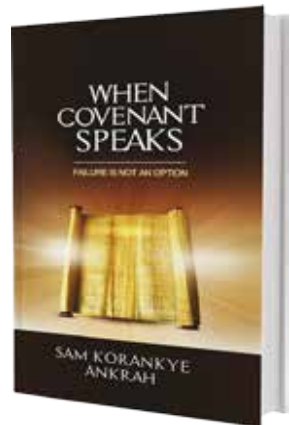

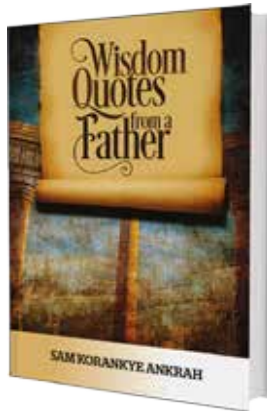

*Praise the Lord, praise the Lord,
Let the earth hear His voice;
Praise the Lord, praise the Lord,
Let the people rejoice;
Oh, come to the Father, through
Jesus the Son, And give Him the
glory; great things He has done.*

Oh, perfect redemption, the
purchase of blood, To every
believer the promise of God;
The vilest offender who truly
believes, That moment from
Jesus a pardon receives.

Great things He hath taught us,
great things He hath done, And
great our rejoicing through Jesus
the Son; But purer, and higher, and
greater will be Our wonder our
rapture, when Jesus we see.
