

Professional Scrum Master™ II

An advanced class created to support Scrum Masters in their professional journey. This course is full of practical tools and facilitated exercises looking at the challenges that Scrum Masters face in their work with an organisation, a Product Owner, and Scrum Teams.

Target audience

- Scrum Masters with at least one year of experience looking to grow their knowledge and abilities in this role
- Agile coaches willing to expand their toolbox of effective methods of working with teams, Product Owners, managers, and other stakeholders

Aims and Objectives

- ✓ Building confidence among Scrum Masters in their daily work with Scrum Teams, Product Owners, and organisation
- ✓ Providing an overview of Scrum Master's stances and getting to know when and how to apply them
- ✓ Expanding Scrum Master's toolbox with practices for working with teams and managers

Benefits

- ✓ Our courses are always delivered by experienced **practitioners** who **actively participate in Agile business transformations** on a daily basis.
- ✓ **Small training group** means each participant has a quality experience with maximum interaction with the trainer and other participants.
- ✓ Included within the course price is one attempt at **PSM II assessment** which leads to industry-recognised **Professional Scrum Master II (PSM II) certificate** upon achieving the pass mark.
- ✓ Participants can receive **14 PDU points** from the Project Management Institute.

- ✔ Participants receive all necessary **course materials**.
- ✔ Participants receive a **book as a gift from Meirik** to help them explore the course topics further.

Agenda

- Introduction
