1. What is OKR?
2. Where to use OKR?
3. Typical pitfalls
4. OKR vs KPI

meirik

Objective & Key Results (OKR) is a goal-setting system

Example

Become an Agile organisation that can respond and adapt to change

- Less than 20% of projects are funded by year
- 80%+ of ongoing work is product focussed
- 0 Gantt charts exist
- 100% of management trained in leadership
- All 22 products have OKR that align top, bottom, and sideways
