

Dear Friends

OCTOBER

Welcome to the bright and hot October.

Lavender and Time encourage you to come to your one-stop haberdashery shop, in order to get new PFAFF and other sewing accessories.

PFAFF has brought in the Smarter by PFAFF 160s and 260c, which are affordable and entry-level sewing machines that are appropriate for all sewers but are beneficial and easy to use for beginners too.

Lavender and Time have additions to the wide range of fabrics and wools. All the perfect and needed materials and accessories for projects ranging from embroidery, sewing, quilting, crocheting and knitting.

PFAFF

Perfection starts here.™

The PFAFF® Smarter™ 260c

The PFAFF Smarter 260c

- Has a direct stitch selection which allows quick changes between different stitches
- Easy sewing due to the Stop/Start button to sew without the foot control
- Set the needle to stop up or down to allow for pivoting, applique and more
 - Has a simple and easy to read information display system
- A beeping alarm occurs when the presser foot is up before wanting to sew
- Has an integrated needle threader, making sewing easier and faster
- Each stitch type, when selected is automatically set to the preferred stitch width and length

The PFAFF Smarter 160s

- Has an integrated needle threader, making sewing easier and faster
 - Has a 6mm adjustable stitch width
- Has the original PFAFF presser foot which allows multiple different skills to be used and learnt
- Has an LED light that provides a long-lasting bright light
- Comes with a hard cover that allows easy and safe transporting along with the machine being lighter and easier to carry.

The PFAFF® Smarter™ 160s
