

Dear Friends

Your start to an *Amazing April*

Hello April. Be a month of rebirth, regrowth and renewal.

April is the perfect time to start your winter projects before it gets too cold, Lavender and Time have a wide range of colours and brands of wool that are perfect for all winter accessories. And there's a **Special** on selected Wool Brands

During this month, make time to work on your projects and take the time for yourself to enjoy and relax.

We would also like to announce, that we have new PFAFF scissors and needles that are just a cut above the rest!!

Look out for the new notions and rulers in the shop!

We would also like to wish all those celebrating Religious holy days during April, a fruitful and religious period of time.
