

### Dear Friends

BBBRRRRRrrrrrrrrrr..... it's getting so cold

Now that the cold months are upon us, keep your hands busy and warm by making sure you have all the materials and tools you need for your new projects.

We have got a whole range of different kinds of wool each in numerous different colours to pick from. The different types are perfect for jerseys, scarves, gloves, blankets as well as knitted toys for your children and grandchildren.

Lavender and Time has some exciting new rulers that are easy to use as they come in centimetres or inches as well as in different shapes.

There are multiple PFAFF accessories that are available for quilting and embroidery. They are perfectly paired with the PFAFF needles, feet and scissors.
