Dear Friends

May is here which means winter is fast approaching. It's not all doom and gloom though as you still have some time to knit those elegant, soft gloves that are an absolute must this winter. How about a poncho? You can use any type of wool and it's easy to knit. Why not try one of our newest Double Knit wools which have just landed. Timber, which is warm and comfy or Merino, that is soft and smooth. Whatever your project, we stock all the necessities you need, from needles and pins to fabrics and sewing machines. We really are your one stop haberdashery shop you know!

HAPPY
Mother's
DAY

May is also the month of Mother's Day. That special time of year that you celebrate your superhero, your greatest supporter, your first best friend and that one person you've always turned to for advise.

Your mum.

There's nothing more considerate than giving mum a hand-made gift from you for her to cherish. Come in and choose from our array of stunning embroidery kits and beautiful diamond dot art. You can also choose to make something extra special from our first-class fabrics and accessories. Alternatively, you can buy mum a Lavender and Time gift voucher, that way she'll be able to get the gift she really wants.
