IMBERT: NOTICES OF VALUATION DOES NOT EQUATE PROPERTY TAX

This article looks at a recent press release by the Finance Minister assuring taxpayers that the valuations shown on the Notices of Valuation that have been issued do not equate to the amount of tax payable. The article reports on the formula that will be used to calculate the property tax owing.

RESIDENTS TO START RECEIVING PROPERTY TAX NOTICES OF VALUATION

This article advises taxpayers that the Notices of Valuation that are being issued show the Annual Rental Value of properties and not the amount of tax to be paid. The article also gives advice on the grounds for objection to the valuation and the process to follow.
