### GOVT SAYS AMNESTY IS OVER FOR DELINQUENT REAL PROPERTY TAX

After years of trying various methods to collect property tax arrears, the outstanding amount has risen to \$900m. This article reports that the government of the Bahamas has announced its intention to execute its power of sale against scores of delinquent accounts and looks at the issue of the first wave of 30-day notices and what this means.

The article can be accessed via the following link:
