Mission Statement:

To become a significant Community Housing organisation in the South West and relieve housing related poverty by providing and managing quality, secure and affordable housing for those people on a low to moderate income. It is also our intent to develop and promote awareness of housing issues and in particular community housing within the framework of a "not for profit" organisation.

Aims and Objectives:

Bunbury Housing Association (Inc.) trading as Alliance Housing (WA) is a Community Housing organisation that aims to relieve housing related poverty.

- To provide and manage secure and affordable housing for people on low or moderate incomes.
- To encourage tenant participation in the development, design and management of the accommodation provided by the association.
- To develop and promote awareness of housing issues and in particular Community Housing.
- To do all such lawful things as necessary, incidental or conducive to the fulfillment of the objectives required by the organizations Constitution.

Alliance Housing WA – A look back and remember

Bunbury Housing Association (BHA) was created in 1997 and the state Housing Authority (HA) at that time provided "seed funding" plus a small number of homes to assist in the development of a community housing sector in the south west.

nternal discussions between staff on a re-branding of the organisation commenced in 2011 and after some rigorous debate the "birth" of Alliance Housing WA was created. In May 2012 the business name of Alliance Housing (WA) was registered. BHA is now a distant memory.

A series of meetings with the Housing Authority culminated in a Community Housing Agreement (CHA) being developed and signed. Through this agreement Alliance Housing partnered with the (HA) in some housing transfers.

The (HA) also provided Alliance Housing with growth status under our CHA and agreed to a target of two (2) homes per year in the initial stages. We have certainly exceeded the target, year after year.

Our growth was rapid and through targeted programs providing accommodation assistance to people with a disability (Combined Capital Bid) we were able to expand our service to other areas in the south west. This initiative also allowed us the opportunity to forge partnerships with the client service sector involved in caring for people with a need for support.

In 2016 the magic one hundred (100) homes under management was achieved, a mighty important milestone and one to be cherished by the Board and staff who have displayed the boundless energy and support through a number of years.

Alliance Housing is now making a significant contribution to the South West Region and houses more than 200 adults and children in 100 houses. This includes eleven houses in Busselton and 12 Community Disability Housing Program (CDHP) houses.

CEO's Report 2017

An exciting year for Alliance
Housing underpinned by the
granting of Tier 2 status by
the Housing Authority. This is
significant as it allows Alliance
Housing to contract with
government, seek financial
assistance and it also re-enforces
our reputation and status in the
community housing sector.

Amajor change for our organisation was the moving into our new office in May, for far too long we had endured below standard conditions in our previous accommodation and as we were able to attract a Lotterywest grant we could basically start from new. The building in Albert Road was a shell when we started. With a supreme effort from Kay Shaw (Alliance Housing Business Manager), Devlyn Constructions, TNE Business IT Solutions and all the other Contractors we now enjoy a very comfortable, IT integrated and modern premise.

We were also able to have Don Punch, MLA Bunbury officially open our new building with a number of local MP's and government departmental CEO's in attendance. Our thanks also extend to the Professionals Real Estate and the building owners, the Coote family for their patience as the renovations occurred.

The future would seem to have some opportunities about to present themselves and I am confident that Alliance Housing WA has put itself in a position to take advantage of what is to come. The community housing sector in general throughout Australia continues to grow and provide very necessary options to people in housing need.

To our Chairman Judy Jones I thank you sincerely for your enduring support and to all Board members my appreciation for your support and guidance throughout the year. It is unfortunate that Judy will be leaving us in the near future but we all wish her the very best in whatever endeavour she chooses. Judy has given Alliance Housing six (6) very valuable years and leaves in the knowledge that Alliance Housing has grown into an organisation pivotal to the provision of safe, secure and affordable housing in the south west.

The staff at Alliance Housing continue to provide wonderful service to our clients and I thank them for the support they give me personally and the community housing sector, often in very trying situations. To Kay, Shirley and Emma who has recently left Alliance my sincerest appreciation and I know our Board members share my opinion.

The next year I am certain will be challenging but in the end very rewarding.

Mike Bateman Chief Executive Officer.

Chairperson's Report

In a very solid year for Alliance Housing there were major achievements that need to be recognized namely;

We were able to purchase two very modern units in Collie that will be used to house clients from the joint waitlist we share with the Housing Authority.

A private owner entrusted Alliance Housing to manage a house in Carey Park. It is this type of achievement that enhances our reputation in the community housing sector.

Alliance Housing has been recognized through the Community Housing Registration Office as Tier 2 provider and will now embark on the evidence provision to the HA for approval and endorsement of the assessment.

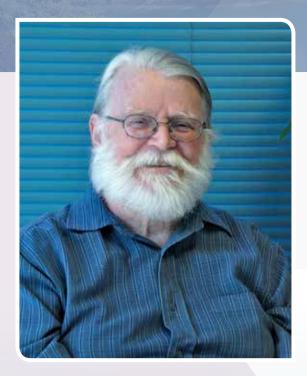

Importantly Alliance Housing was able to convince Lotterywest to provide funding for an office re-location. Our new office situated in Albert Road is modern, fully furnished and with technology that provides support to our everyday functions. This in all essence ensures our customer service is improved which is why we exist. The time and effort put in by Kay Shaw in dealing with Contractors during the refurbishment is very much appreciated.

Finally and with a tinge of sadness I am resigning as Chairman of the Alliance Board. After six (6) years where I was able to see first hand the growth and maturing of Alliance Housing I am confident I am leaving an organisation that is going from strength to strength and I wish the Chief Executive Officer Mike Bateman and the staff all the best for the future.

I would also like to thank the Board members past and present for their diligence and guidance assisting me in the position of Chairman.

Judy Jones Chairperson

Once again it is my pleasure to report that Alliance Housing (WA) maintained its good performance over the 2016/17 financial year.

or the first time the overall income has exceeded \$1,000,000 by \$40,083 - a rise of 6.8 % on the previous year. The continual growth of Alliance Housing is gained through great endeavours of the staff and they are to be congratulated for their efforts.

Expenses rose by 12.9% compared with expenses for 2015/16, and this was due to significant increases in Council rates, loan interest payments (full year), office rent, relocation, fit out and service charges, and fringe benefit tax payable for employee private use of corporate vehicle. These details are included in the audited "Statement of Financial Performance" report for the year.

Treasurer's Report

The overall equity for Alliance Housing at 30th June 2017 stands at \$4,072,301 and is made up of the overall operational surplus for the year (\$199,414) plus the equity balance brought forward from 2015/16 (\$3,872,887). This obviously provides the organisation with a very stable basis to continue our day to day operation and further growth.

During the financial year, Alliance housing secured a loan from Westpac for the purchase of two (2) units in Collie. The amount outstanding on this loan as at 30 June 2017 is \$540,000. This has been budgeted for under careful planning and well within the capacity of Alliance Housing to service the loan.

The audited statements of Alliance Housing's financial activities presented in this Annual Report and are considered by the organisation's appointed auditor, Mr Des Duplex, as a fair record.

I would like to commend all staff at Alliance Housing, particularly Kay Shaw, for her hard work and assistance provided in my Treasurer duties. I would also like to wish Judy Jones all the best in her retirement and thank her for the guidance of Alliance Housing in her role as Chairman for the last few years.

NOTE 1 STATEMENT OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

This special purpose financial report has been prepared for distribution to the members to satisfy the committee's reporting requirements under the constitution. The accounting policies used in the preparation of this report are consistent with previous years and are described below:

(a) ACCOUNTING PRINCIPLES

The accounts have been prepared primarily on the basis of historical cost and do not take into account changing money values.

(b) DEPRECIATION

Depreciation is charged on all assets based upon the estimated useful economic life of the asset.

(c) FIXED ASSETS

Fixed assets that have a cost of \$1,000 or less are treated as an expense of the current year and are shown as Minor Equipment Purchases in the Statement of Financial Performance.

(d) ACCRUED RENT

The balance of rent received in advance and rent in arrears have not been separately reported but are reflected in the net property income for the year.

Some of our tenants...

Thank you to Julie for looking after her unit so beautifully for the 3 years that she has been with us. Julie has poured her heart and soul into making her unit a cosy and impeccably decorated home.

A special mention goes out to Tony, who collects unwanted items put out for roadside collection, fixes them up or uses them to fix other projects then donates these items to the needy. As well as this charitable work, Tony is the sole carer for his grandson who is doing very well at school thanks to the love and care he receives from his grandfather. Well done and thank you Tony.

We'd like to extend a warm welcome to Crystal and her family who have taken up residency at one of our Bunbury properties this year.

New Bunbury office for Alliance Housing WA opened

MEMBER for Bunbury Don Punch cut the ribbon on Friday to officially open the new Alliance Housing WA offices on Albert Road, Bunbury.

Mr Punch said the continued growth of this organisation will pay huge dividends for our community.

"Over the last 10 years, Alliance Housing has doubled the number of properties they manage as affordable rentals," Mr Punch

"The new offices show Alliance's commitment to continuing to grow its services.

Mr Punch said secure, affordable housing was one of the basic requirements for

people to live a happy and productive life.
"We must remember that housing affordability is about a lot more than whether a first home buyer can purchase a home - for many it is about whether or not they can afford to put a roof over their family's head and this is where the services of Alliance Housing are so vital."

Friday also saw Bunbury's new representative in the state's parliament house present a cheque for \$36,830 from Lotterywest to Jobs South West.

The funds provided to Jobs South West will support the organisation to continue to grow and develop while improving the services they offer," he said.

"WA has the highest unemployment rates in the country and in Bunbury youth unemployment has risen to over eight per cent.

"I commend Jobs South West for their commitment to continuous improvement and look forward to seeing their achievements as the benefits of this funding are

EXCITING LOOK FOR THE FUTURE.

In May of 2017 we received exciting news for one of our unit's part of a strata managed complex on Wellington Street. It was decided at an Extraordinary General Meeting that the complex will be undergoing some major repairs and maintenance.

We look forward to seeing the coming changes and improvements.

Bunnings Voucher

Each year Alliance Housing encourages its tenants to complete a tenant satisfaction survey. The data from these surveys gives us an insight as to our tenants' needs, and how we can further improve our services. Each household that completes the survey goes into the draw to win a \$50 Bunnings voucher, this year's winner was Robyn.
