SEVEN HILLS CHAMBER MUSIC
2024 SEASON

A PASSION FOR

SHARING MUSIC

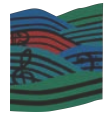

Seven Hills Chamber Music serves as a unique platform in Lynchburg, Virginia and beyond, where artists from around the world and the local area come together to share their music with the community. These musicians, united by their dedication to the arts, bring a diverse array of sounds to the heart of Lynchburg for our annual summer festival, transforming the city into a melting pot of cultural vibrancy and musical exchange every August.

Our performances are more than just concerts; they are bridges connecting the global and local, fostering community and shared human experience through the storytelling of live performance.

And our programming is not merely a concert series; it's a platform where artists become ambassadors of the musical arts, offering workshops, masterclasses, pop-up events, and free concerts for all. Our commitment ensures that the beauty and power of music transcend social and economic barriers, making classical music a shared treasure in Lynchburg and in our nation-wide performances. Seven Hills Chamber Music, through our blend of global talent and local roots, continues to weave a rich tapestry of cultural enrichment, making it a beacon of inspiration and unity in our communities.

A LETTER FROM OUR *FOUNDER*

Dear Friends & Family of Seven Hills Chamber Music,

As the founder of the Seven Hills Chamber Music Festival, I am reaching out to share some exciting developments and to invite you to play a pivotal role in the continued growth and success of our beloved festival.

Expanding Our Horizons: More Music & More Impact

In 2023, we witnessed a remarkable expansion of the Seven Hills Chamber Music Festival, growing from four to six concerts, including a pop-up at Three Roads Brewery and the Historic Academy Theatre. This growth allowed us to reach a wider audience and offer a richer, more varied musical experience. The upcoming 2024 season promises to be even more dynamic, with our performances showcasing both celebrated and emerging talents in the chamber music world.

Inclusion and Accessibility: Chamber Music for Everyone

Continuing our tradition, the Seven Hills Chamber Music Festival remains free to the public. We strongly believe that chamber music should be an accessible and shared experience for all, regardless of economic background. By offering our concerts without charge, we open the doors of musical and cultural enrichment to the entire community, fostering a diverse audience united by a love of music.

Your Support: An Ensemble of Community and Culture

As we look ahead, we are filled with enthusiasm and a clear vision for the future of the Seven Hills Chamber Music Festival. However, the realization of our goals is intertwined with the generous support of individuals like you. Your contributions are not merely donations; they are investments in the cultural enrichment of our community and the nurturing of young, artistic talent.

Join Us in Making a Difference

We invite you to join us in this exciting journey. Your support will directly contribute to:

- Sustaining and expanding our concert series
- Maintaining our tradition of offering concerts free of charge, ensuring access for all
- Bringing talented artists both from Lynchburg and from around the world to perform together
- Enhancing our educational programs in schools

Thank you for considering this request. Together, we can continue to make the Seven Hills Chamber Music Festival a beacon of cultural excellence, community engagement, and a celebration of music accessible to all.

With warm regards,

Dudley Raine
